INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
East Cascades Workforce Investment Board
dba East Cascades Works
Bend, Oregon

Report on the Financial Statements

We have audited the accompanying financial statements of East Cascades Workforce Investment Board dba East Cascades Works (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of East Cascades Workforce Investment Board dba East Cascades Works as of June 30, 2021, and the changes in its net assets and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated January 14, 2022, on our consideration of East Cascades Workforce Investment Board dba East Cascades Works' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of East Cascades Workforce Investment Board dba East Cascades Works' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering East Cascades Workforce Investment Board dba East Cascades Works' internal control over financial reporting and compliance.

EAST CASCADES WORKFORCE INVESTMENT BOARD
dba EAST CASCADES WORKS
NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies

Reporting Entity

East Cascades Workforce Investment Board dba East Cascades Works (EC Works or the Organization) was formed on July 1, 2015, as a 501(c)(3) nonprofit corporation organized in the state of Oregon. The Organization services a ten county area in Oregon, including Crook, Deschutes, Gilliam, Hood River, Jefferson, Klamath, Lake, Sherman, Wasco, and Wheeler Counties.

EC Works is a workforce development organization dedicated to assisting employers in recruiting and retaining employees and helping individuals find employment and progress in their careers. Specifically, the Organization is charged with strategic planning, oversight, and administrative responsibility for the public workforce system including, but not limited to, those funded under the Workforce Innovation and Opportunity Act of 2014 (WIOA). The WIOA requires that each workforce area designated by the Governor form a Local Workforce Development Board. The Board of Directors of EC Works was designated to meet this requirement for the geographic area of the counties in Oregon noted above.

Budget Policy

The administrative and fiscal staff in consultation with the Treasurer prepare a draft budget for modification and approval by the Executive Committee. Once approved by the Executive Committee, it is then submitted to the Central Oregon Workforce Consortium (COWC) for adoption. The COWC consists of one County Commissioner or Judge from each county serviced by EC Works and is charged with annual budget adoption.

There is no legal requirement that expenditures do not exceed appropriations; however, it is Board practice to limit expenditures to the amount appropriated.

Basis of Presentation

The financial statements have been prepared on the accrual basis of accounting wherein revenues are reported when earned and expenses are reported when incurred. Grants and similar items are recognized as revenue as soon as all the eligibility requirements imposed by the provider have been met. Expenditure-driven grants are recorded as revenue when the qualifying expenditures have been incurred and all other grant requirements have been met.

Functional Allocation of Expenses

The costs of providing the program have been summarized on a functional basis in the accompanying statement of activities. Accordingly, certain costs have been allocated among program and supporting services benefited. EC Works' sole program is Employment and Training Services. This program is charged with planning, oversight, and administrative responsibility for local job training programs for at risk populations in the area.

EC Works allocates costs between program and support activities based on a cost allocation plan. Most of EC Works' operating expenses are allocated to program and support activities based on employee timecards unless the item of cost can be specifically traced to a program related activity. Subrecipient expenses are generally 100 percent program.

NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies, continued

Accounting Standards Updates

EC Works early adopted the requirements of ASU 2016-02, *Leases*, during the year ended June 30, 2019. This update supersedes accounting standards that exist under current GAAP and makes improvements to address identified issues about current financial reporting for not-for-profit entities. Under the new standard, lessees are required to report right-of-use assets and liabilities for operating and financing leases.

In 2014, the Financial Accounting Standards Board (FASB) issued ASU 2014-09, *Revenue from Contracts with Customers* (Topic 606). The ASU and all subsequently issued clarifying ASUs replaced most existing revenue recognition guidance for contracts with customers in U.S. GAAP. The ASUs also required expanded disclosures related to the nature, amount, timing, and uncertainty of revenue and cash flows arising from contracts with customers. The Organization adopted the new standard effective July 1, 2020, using the full retrospective approach in these financial statements.

Based on the Organization's evaluation process and review of its contracts with customers, the timing and amount of revenue recognized previously is consistent with how revenue is recognized under the new standard. The implementation of the ASUs did not have a significant impact on the Organization's financial statements. No changes were required to previously reported revenues as a result of the adoption, and the adoption has not resulted in the recognition of additional assets or liabilities.

Assets, Liabilities, and Net Assets

Cash

Cash consists of cash on hand and demand deposits deposited in U.S. Bank accounts.

Receivables

Receivables are recorded in accordance with the policies enumerated above. Management of EC Works considers all amounts included in grants receivable to be collectible; therefore, no provision for uncollectible accounts has been made.

EC Works receives federal funds from the U.S. Department of Labor passed through the state of Oregon, as well as several other nonfederal grants. The amount receivable represents contract billings and cash requests, relating to expenditures incurred through the end of the program year, which had not been received at June 30, 2021.

Capital assets

Capital assets are defined by EC Works as assets with an initial individual cost of \$5,000 or greater and an estimated useful life in excess of one year. Such assets are recorded at historical cost. Donated capital assets are recorded at their fair value at the date of donation.

Depreciation is provided using the straight-line method based on the estimated useful lives of the related assets.

State and federal grantor agencies retain a reversionary interest in all capital assets that are purchased with state and federal funding.

EAST CASCADES WORKFORCE INVESTMENT BOARD
dba EAST CASCADES WORKS
NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies, continued

Assets, Liabilities, and Net Assets, continued

Capital assets, continued

EC Works had no capital assets as of June 30, 2021.

Compensated absences payable

EC Works revised the time off policy during the year ended June 30, 2018, to include a provision for paid time off which does not vest or carry over to subsequent years. As such, no liability for unpaid time off has been accrued as of June 30, 2021.

Unearned revenue

Unearned revenue totaling \$219,689 as of June 30, 2021 mostly consists of funds received for expenditure-driven grants restricted to use in future periods by either time or donor restrictions. \$10,079 of the balance relates to a grant received from Central Oregon Health Council (see Note 6 Restricted Cash), which is expected to be earned in the year ending June 30, 2023 and is classified as long term. \$159,155 of the balance relates to a grant received from the Oregon Health Authority (see Note 6 Restricted Cash), which is expected to be earned in the year ending June 30, 2022 and is classified as current. The remaining \$50,455 was an advance for July 2021 operating expenses and is classified as current.

Net assets

EC Works reports net assets as changes in net assets with donor restrictions and net assets without donor restrictions.

- Net Assets with Donor Restrictions – The part of net assets of a not-for-profit entity that is subject to donor-imposed restrictions (donors include other types of contributors, including makers of certain grants).
- Net Assets without Donor Restrictions – The part of net assets of a not-for-profit entity that is not subject to donor-imposed restrictions, including Board-designated net assets (self-imposed limits by action of the governing board) that may be earmarked for future programs, investment, contingencies, purchase or construction of fixed assets, or other uses.

EC Works reduces net assets with donor restriction amounts, if any, first when expenditures are incurred for purposes for which restricted and unrestricted amounts are available.

Income Taxes

EC Works is exempt from income tax under Internal Revenue Code (IRC) Section 501(c)(3) and is only subject to tax on income unrelated to its exempt purposes, unless that income is otherwise excluded by the IRC. The Organization's federal Return of Organization Exempt from Income Tax return (Form 990) and state of Oregon Form CT-12 for the year ended June 30, 2021, are subject to examination by the Internal Revenue Service and Oregon Department of Revenue, respectively, generally for three years after filed.

EAST CASCADES WORKFORCE INVESTMENT BOARD
dba EAST CASCADES WORKS
NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies, continued

Income Taxes, continued

Management evaluated EC Works' tax positions, including unrelated business income, if any, and concluded that EC Works had taken no uncertain tax positions that require adjustment to the financial statements to comply with the provisions of this guidance.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect reporting amounts of certain assets, liabilities, revenues, and expenses. Actual results may differ from such estimates.

Concentration of Credit Risk

EC Works maintains its cash and bank deposit accounts in certain financial institutions. Interest and noninterest bearing accounts are guaranteed by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000.

All deposits not covered by FDIC insurance are covered by the Public Funds Collateralization Program (PFCP) of the state of Oregon. Deposits in excess of FDIC coverage with institutions participating in the Oregon PFCP are collateralized with securities held by the Federal Home Loan Bank of Seattle in the name of the institution. The PFCP is a shared liability structure for participating bank depositories, better protecting public funds though still not guaranteeing that all funds are 100 percent protected.

EC Works has not experienced any loss in such accounts.

2. Commitments and Contingencies

Beginning May 1, 2021, EC Works leases an office suite located in the Bend, Oregon area. This operating lease expires on April 30, 2022 and automatically renews each year unless terminated by either party. The base rent is scheduled to increase every two years by three percent. For the year ended June 30, 2021, monthly payments were \$1,346 per month plus a portion of maintenance, repair and overhead on the building and common areas. Rent expense paid including common area charges totaled \$3,305 for the year ended June 30, 2021, and this amount has been included in expense. EC Works determined that this agreement does include a lease, however, the noncancelable lease term is less than 12 months; therefore, this agreement has not been included in the calculation of the operating lease right-of-use asset and operating lease liability.

2. Commitments and Contingencies, continued

EC Works leased an office suite under a non-cancelable operating lease that expired on May 31, 2021. Base rent payments were \$2,535 per month from July 1, 2020 through May 31, 2021. Total rent included base rent plus a portion of maintenance, repair, and overhead on the building and common areas. Rent expense paid, including common area charges, totaled \$36,526 for the year ended June 30, 2021. EC Works determined that this agreement did include a lease with a non-cancelable lease term in excess of one year, and as such this agreement was included in the calculation of the operating lease right-of-use asset and operating lease liability. The discount rate used was the risk-free 5-year Treasury bill rate in effect at lease inception, 1.55 percent. Total base lease expense recognized as a result of the recognition of the right-of-use asset and lease liability totaled \$25,995 for the year ended June 30, 2021 and this amount has been included in expense.

EC Works subleased two office spaces within its office suite to the Oregon Employment Department. This operating lease was terminated on January 31, 2021. For the year ended June 30, 2021, monthly payments were \$834 per month and \$5,841 has been included in income. EC Works determined that this agreement did include a lease, however, the non-cancelable lease term was less than 12 months; therefore, this agreement was not included in the calculation of the operating lease right-of-use asset and operating lease liability.

EC Works leases office spaces for the WorkSource Oregon center located in the Hood River, Oregon area. This operating lease expired on June 30, 2021 and includes a 1-year renewal option exercised by EC Works. For the year ended June 30, 2021, monthly payments were \$405 per month, and \$4,860 has been included in expense for the year. The base rent is scheduled to increase 3 percent per year. EC Works determined that this agreement does include a lease, however, the non-cancelable lease term is less than 12 months; therefore, this agreement has not been included in the calculation of the operating lease right-of-use asset and operating lease liability.

EC Works leases office spaces for the WorkSource Oregon center located in The Dalles, Oregon area. This operating lease expires on June 30, 2022, and includes monthly payments totaling \$509 per month from July 2020 through April 2021, and \$519 per month from May to June 2021, and \$6,128 has been included in expense for the year. The lease includes an option to extend the agreement in accordance with the Oregon Employment Departments' exercised Prime Lease extension options. EC Works determined that this agreement does include a lease, however, the non-cancelable lease term is less than 12 months; therefore, this agreement has not been included in the calculation of the operating lease right-of-use asset and operating lease liability. EC Works subleased a cubicle to partner entities through an annual Infrastructure Funding Agreement arrangement. Total sublease income, including income for partner shared services at this center, during the year ended June 30, 2021 totaled \$2,273.

EC Works determined that this agreement does include a lease, however, the non-cancelable lease term is less than 12 months; therefore, this agreement has not been included in the calculation of the operating lease right-of-use asset and operating lease liability. EC Works subleased a cubicle to partner entities through an annual Infrastructure Funding Agreement arrangement. Total sublease income, including income for partner shared services at this center, during the year ended June 30, 2021 totaled \$1,873.

EC Works leases office spaces for the WorkSource Oregon center located in Lakeview, Oregon area. This operating lease expires on January 1, 2023 and includes monthly payments totaling \$375 per month, and \$4,500 has been included in expense for the year. The lease includes an option to extend the agreement for an additional five-year period. EC Works determined that this agreement does include a lease with a non-cancelable lease term in excess of one year, and as such this agreement has been included in the calculation of the operating lease right-of-use asset and operating lease liability including the option to extend. The discount rate used is the risk-free 10-Year Treasury bill rate in effect at lease inception, 2.46 percent.

During the year ended June 30, 2019, EC Works early implemented ASU 2016-02, *Leases*. EC Works made the following elections as a result of implementing this standard:

2. Commitments and Contingencies, continued

- EC Works elects not to recognize right-of-use assets and lease liabilities that arise from short-term leases for any class of underlying assets. Short-term leases are accounted for by recognizing the lease payments in the change in net assets on a straight-line basis over the term of the lease. The short-term lease cost and commitments for each short-term lease is disclosed above.
- EC Works elects to use the risk-free rate in the calculation of operating lease liabilities for all leases utilizing the Treasury rates in effect at lease inception with terms closely tied to the terms of the leases.
- EC Works elects the practical expedient to not separate lease components from non-lease components for all underlying assets.

Future minimum lease payments for noncancelable leases are as follows:

2. Commitments and Contingencies, continued

Government supported programs are subject to audit by the applicable granting agencies. The possible disallowances by the granting agencies of any item charged to the program cannot be determined until such time when the audits occur. Therefore, no provision for any potential disallowances that may result from such audits has been made in the accompanying financial statements.

3. Risk Management

EC Works is exposed to various risks of losses related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. EC Works maintains coverage through commercial insurance companies for risk of loss. There were no insurance settlements exceeding insurance coverage during the year ended June 30, 2021.

EC Works contracted with several subrecipient organizations to provide training and employment services during the year ended June 30, 2021. While federal and state requirements and compliance for provisions of services are defined and rather strict, there are other local organizations capable of providing the necessary services in the event any of the three primary contracted service providers cease to perform or operate per the terms of their contracts. Combined, the three primary providers in EC Works' three regions (North, Central, and South) were paid \$3,096,926 during the year ended June 30, 2021.

4. Related Party Transactions

EC Works has entered into contracts with organizations whose Boards of Directors include members of the COWC, or whose employees included members of the EC Works Board of Directors. The conflicted party is precluded from voting on budget and contract approval where a conflict is present.

The following contracts were in effect during the year ended June 30, 2021:

11. Economic Uncertainties

The COVID-19 coronavirus pandemic has resulted in significant economic uncertainties across the globe. EC Works has not yet experienced significant disruption in its operations as a result of the ongoing COVID-19 coronavirus pandemic. However, as of the date of the independent auditor's report, certain economic uncertainties still exist related to the COVID-19 coronavirus pandemic. These continuing uncertainties have the potential to result in a significant impact to EC Works' future financial condition and operating results. However, any such future financial impact and duration of such impact cannot be reasonably estimated at this time.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

1. Purpose of the Schedule

The accompanying schedule of expenditures of federal awards (the Schedule) is a supplementary schedule to East Cascades Workforce Investment Board dba East Cascades Works' (EC Works') financial statements and is presented for purposes of additional analysis. Because the Schedule presents only a selected portion of the activities of the Organization, it does not present the financial position, changes in financial position, or the revenues and expenditures of EC Works.

2. Significant Accounting Policies

Reporting Entity

The reporting entity is fully described in Note 1 to EC Works' financial statements. The Schedule includes all federal programs administered by EC Works for the fiscal year ended June 30, 2021.

Basis of Presentation

The information in the Schedule is presented in accordance with OMB *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* 2CFR200 (Uniform Guidance).

Federal Financial Assistance

Pursuant to the Uniform Guidance, federal financial assistance is defined as assistance provided by a federal agency, either directly or indirectly, in the form of grants, contracts, cooperative agreements, loans, loan guarantees, property, interest subsidies, insurance, or direct appropriations. Accordingly, nonmonetary federal assistance, including federal surplus property, is included in federal financial assistance and is reported on the Schedule (if applicable). Federal financial assistance does not include direct federal cash assistance to individuals. Solicited contracts between EC Works and the federal government for which the federal government procures tangible goods or services are not considered to be federal financial assistance.

Major Programs

The Uniform Guidance establishes criteria to be used in defining major programs. Major programs are those programs selected for testing using a risk-assessment model, as well as certain minimum expenditure requirements, as outlined in the Uniform Guidance Subpart F 200.518. Programs with similar requirements may be grouped into a cluster for testing purposes.

Basis of Accounting

Receipts and expenditures are accounted for using the accrual basis of accounting. Revenues are recorded when earned or, in the case of grants where expenditures are the prime factor for determining eligibility, when the expenditure is made. Expenditures are recorded when a liability is incurred.

3. Indirect Cost Rate

EC Works elected to use the ten percent (10%) de minimis indirect cost rate of modified total direct costs. A definition of modified total direct costs can be found in the Uniform Guidance Subpart A 200.68.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Directors
East Cascades Workforce Investment Board
dba East Cascades Works
Bend, Oregon

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of East Cascades Workforce Investment Board dba East Cascades Works (a nonprofit organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 14, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered East Cascades Workforce Investment Board dba East Cascades Works' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of East Cascades Workforce Investment Board dba East Cascades Works' internal control. Accordingly, we do not express an opinion on the effectiveness of East Cascades Workforce Investment Board dba East Cascades Works' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

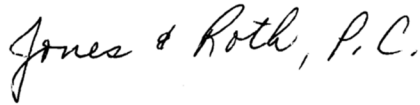

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether East Cascades Workforce Investment Board dba East Cascades Works' financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
East Cascades Workforce Investment Board
dba East Cascades Works
Bend, Oregon

Report on Compliance for Each Major Federal Program

We have audited East Cascades Workforce Investment Board dba East Cascades Works' compliance with the types of compliance requirements described in the OMB *Compliance Supplement* that could have a direct and material effect on each of East Cascades Workforce Investment Board dba East Cascades Works' major federal programs for the year ended June 30, 2021. East Cascades Workforce Investment Board dba East Cascades Works' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of East Cascades Workforce Investment Board dba East Cascades Works' major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about East Cascades Workforce Investment Board dba East Cascades Works' compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of East Cascades Workforce Investment Board dba East Cascades Works' compliance.

Opinion on Each Major Federal Program

In our opinion, East Cascades Workforce Investment Board dba East Cascades Works complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control over Compliance

Management of East Cascades Workforce Investment Board dba East Cascades Works is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered East Cascades Workforce Investment Board dba East Cascades Works' internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of East Cascades Workforce Investment Board dba East Cascades Works' internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
