Our tradition continues with the dad's dance. It is a **comical** dance routine for the recital in which the dad's get their groove on. We need at least 10 dad's to volunteer (dance experience in NOT required). There will be Tuesday evening rehearsals from 8:15 to 9:15 beginning March 19. The routine will not be hard. It will be all in **good fun** and not intended to mock any boys or girls who dance. It is just a fun way to end the recital and give the dads the first hand knowledge what their dancer experiences. Commitment and good attendance is needed. If you are interested, want some exercise and want to have some laughs, please fill out the bottom of this sheet and return it to the studio by February 28. If we have enough dads, rehearsals will begin March 19. (We will e-mail to confirm the rehearsals).
