PHILOSOPHY OF REGENERATION®

In tune with the Philosophy of Regeneration®, SunTrim™ Shake features a unique combination of nature-sourced ingredients to nourish, balance, and cleanse the five systems of the body to support optimal health and vitality.

INGREDIENT HIGHLIGHTS

PEA PROTEIN

A plant protein that contains all nine of the essential amino acids—including branched-chain amino acids (BCAAs)—that help you to effectively build muscle.

LYCIUM BERRIES

This fruit is an excellent source of body-cleansing antioxidants, vitamins A, C, and E, and more than 30 essential and trace minerals.

GARCINIA FRUIT

A natural source of hydroxycitric acid (HCA), this fruit is known to help control appetite and support a healthy metabolism. Garcinia has been used safely for centuries in Southeast Asia to make meals more filling.

FAQS

Q: How is SunTrim™ Shake different from other nutrition shakes?

A: While most meal-replacement and protein shakes are made with chemical additives and artificial flavors, colors, and sweeteners, SunTrim™ Shake is free of these potentially harmful ingredients. The shake uses a whole-food base with natural vitamins and minerals, enabling your body to better absorb and use the nutrients.

Q: Is SunTrim™ Shake easy to digest?

A: Yes. Unlike many brands that contain chemically processed or animal-based protein powders, our plant-based protein formula contains no lactose or glutes. That means no bloating or discomfort. When it comes to digestion and absorption, there is no drawback with our plant-based formula. It's also free of common types of allergens normally found in dairy and eggs.

RECOMMENDATION

Mix one package with 180 mL–240 mL of water in a shaker bottle. Drink as is or sweeten to taste with SunnyDew®.
