

## Emergency Vehicle Technician (EVT)

**Commercial Truck Equipment Co.**, Canada's largest supplier of commercial truck equipment, is looking for an eager, enthusiastic individual with a professional attitude to fill two full-time EVT positions in our Surrey, BC and Edmonton, AB branches.

The ideal candidate will have a minimum 5 years' experience working on emergency vehicles, specifically fire apparatus, holds a current EVT certification, and has experience working in a high paced environment.

Training for specific product familiarization will be provided to the successful candidate.

### **Qualifications**

- Ability to work both independently, as well as in a team environment
- Minimum 5 years' experience working on emergency vehicles
- Current EVT certification is a MUST
- Previous experience diagnosing, testing, servicing and/or installing fire apparatus equipment such as Pierce, TFT Monitors, Akron Valves, Hercules CAFS Systems, Husky Foam Systems, Federal Signal, and ECT
- An ability to demonstrate a qualified understanding of hydraulic systems and ability to read hydraulic schematics is required
- A strong understanding of electrical systems, as well as an understanding of electrical troubleshooting as it relates to truck equipment is considered an asset
- An understanding of MFPA/EVT standards an asset
- Minimum BC Class 5 driver's license with air brake endorsement or equivalent
- Inter-provincial Red Seal considered an asset
- Strong verbal and written communication skills
- Strong commitment to safety
- Detail oriented, dependable, and punctual
- Commitment to providing outstanding internal/external customer service
- Ideally be computer literate

Typical duties include but not limited to:

- EVT equipment installation, repair, and servicing
- Ensure adherence to pre-established standards of performance
- Operate workshop lifting devices
