BULLETIN #1417

Re: CDI Issues Pre-Hearing Notice For Upcoming Export List Hearing

Insurance Commissioner Ricardo Lara has announced that the California Department of Insurance (CDI) will hold a public hearing regarding the Export List in the next few months. A time and date will be announced in a formal Notice of Public Hearing at a later time.

The purpose of the commissioner's announcement is to request information from any parties that may request an addition to, or deletion from, the Export List.

Anyone submitting requests should indicate the name of the risk or coverage they hope to have added to, or deleted from, the Export List. The commissioner's notice advises that submissions will not be regarded as hearing testimony, and no proposed change is guaranteed to be made to the Export List.

Proposed changes should be sent to ExportListHearing@insurance.ca.gov.
