## BLOCK WATCH SUCCESS STORIES PART 1

The Black Mountain Precinct's Community Action Team regularly builds and promotes Block Watch in order to maximize community involvement. If you've worked with your Community Action Officers or local Block Watch groups, you'll hear a lot of great advice regarding how to make your neighborhood safer. What you don't always hear about are the success stories associated with community involvement. Our next series focuses on Community Action Officers and their Block Watch/Community success stories.

### Officer Tom Owsley:

The topic of discussion at one of my new block watch meetings was reporting suspicious activity. A certain member was adamant that there were suspicious people/vehicles driving through their neighborhood during the day. During my next shift, an emergency radio call came out of a suspicious vehicle was seen slowly driving in the neighborhood. The male occupant would stop the vehicle, walk up to the house, write something down on a note pad and pull forward.

Upon arrival, we stopped the vehicle (displaying rental plates) and made contact with the occupant. He was clean shaven, short haired, dressed in slacks, a dress shirt and had a briefcase next to him. While speaking with him, he appeared very nervous and started stuttering and sweating. To top it off, he had a hard time spelling his last name and didn't know his social security number.

After further questioning, he eventually provided us with his correct name and date of birth. The subject was wanted for two outstanding felony warrants for burglary. Inside his briefcase was the note pad he was writing on. The contents on the pad were addresses, if anyone was home, if there was a security door or dog. The block watch member who reported the suspicious activity really made a difference that day.

### Officer Jen Zak:

I have worked in the Black Mountain precinct almost since it was opened. I have seen the number of homes and businesses in the precinct grow and fluctuate, open and close. When I became a Community Action Officer in 2016, I was introduced to several beautiful areas I was unfamiliar with.

One area in particular concerned me as I heard stories from community members about children and families who once walked and rode bikes along an adjacent wash path. Due to overgrowth

and people living in the thick areas, community members no longer felt comfortable along these paths.

I began looking into the area, to see what could be done. Immediately I recognized part of the challenge of this area revolved around a privately owned section wash. The surrounding community and I brought this area to the attention of Councilwoman Stark and several City of Phoenix Departments. Together all of us came together with a plan to make this area thrive. The area is now clean and more people are involved in activities along the wash path to include hiking, biking and dog walking. When a community comes together, it is amazing what is accomplished.

## The Block Watch Poem

by Unnamed CAO

How well do you know your neighbor?  
Just the one next door...  
How about the one, down the street,  
So what is Block Watch for?

Let's get together and BBQ.  
We can gather talk and meet.  
Work on a plan, to gather again,  
And build a friendly street.

To keep our homes all safe,  
The group can watch the 'hood.  
And report unusual activity,  
The way a good neighbor should.

Put up signs, and come together,  
To warn the bad guys around.  
If you come to our place,  
You are warned just in case,  
Neighbors' eyes abound.

So let's start a Block Watch  
And know each other well.  
To keep our homes all safe,  
Oh the crime that we will quell.

## WELCOME LT. TIMOTHY WOODS!

Please join me and welcome Lieutenant Timothy Woods to the Black Mountain Precinct team. Lieutenant Woods replaces Lieutenant Bryan Knueppel who recently transferred to the Maryvale Precinct. We wish Bryan continued success and are equally excited to have Tim join our team.

-Cmdr. Tom Van Dorn

In his own words, here's some background on Lieutenant Woods:

To the Black Mountain Precinct Community:

Please allow me to introduce myself. I am Lieutenant Tim Woods. I am a 22-year veteran of the Phoenix Police Department. I started my career as a patrol officer in the Maryvale Precinct. After a short stint in the Cactus Park Precinct, I took an assignment as a School Resource Officer (SRO) at Trevor G. Browne High School in the Maryvale Precinct. After two years as an SRO, I became a member of the precinct's Neighborhood Enforcement Team (NET). During my seventh year on the department, I was promoted to the rank of Sergeant.

As a Patrol Sergeant, I served in the Desert Horizon and Maryvale Precincts. After that, I transferred to the Training Bureau as the Tactical Training Detail Sergeant, where I served for more than nine years. During that time, I was responsible for the in-service training for patrol officers and a portion of basic recruit training. I hold instructorships in Defense Tactics, Driving, Firearms, High Risk Vehicle Stops, Force-on-Force and Active Shooter. I am a Master Taser Instructor and I was responsible for the Department's transition from the X26 to the X2 Taser. I attended the Dona Anna County and City of Mesa SWAT Schools and I am certified as a basic SWAT operator.

After leaving the Academy, I spent a year as the Community Engagement and Outreach Sergeant in the Community Relations Bureau. In August 2017, I was promoted to the rank of Lieutenant and was assigned to the Cactus Park Precinct for a year before joining the Black Mountain Precinct team.

I hold a bachelor's degree in history from Arizona State University and a master's degree in educational leadership and development from Northern Arizona University. In my leisure time I am involved in organizations that mentor at-risk youth and college males. I am an avid golfer and traveler. I look forward to meeting you at upcoming meetings and community events and further expanding on the partnership you have with your police department. Have a great day!

## WELCOME NEW BMP ADMIN. SGT. LINDA MILLER!

Heads up drivers, pedestrians and bicyclists - with cooler temperatures approaching, more people will be out and about. This means that you can expect more activity on city streets, so remember to keep yourself and those around you safe by following these key safety tips. Drivers Focus on the Road Look Out for Pedestrians and Bicyclists Stop on Red and Don't Speed Pedestrians Use the Crosswalk Don't Walk Distracted Look, Listen and Be Seen Bicyclists Stay Bright at Night Obey Traffic Signals and Signs Use Hand Signals For additional safety tip information, visit [www.phoenix.gov/HeadsUp](http://www.phoenix.gov/HeadsUp)

## TRAPPED BY DRUG ADDICTION?

Is it removing you from your own life?  
Use PHOENIX POLICE DEPARTMENT'S  
**ARIZONA ANGEL INITIATIVE**  
to take back control of your life!

Substance abuse is often the root cause of neglect forcing children to be taken out of the home.

To protect families, the Governor's Council on Child Safety and Family Empowerment created the:

### Arizona Angel Initiative (AAI)

A police assisted addiction recovery program in which individuals struggling addiction are connected to treatment.

Individuals can take back power over their own lives and families can stay together.

for more information, contact the Angel Navigator 502-316-8501; visit a Phoenix Police Precinct or [www.substanceabuse.az.gov/angelinitiative](http://www.substanceabuse.az.gov/angelinitiative).

The poster features a silhouette of a person in a distressed pose against a warm, orange-yellow background. There are two small logos at the bottom left: one for the Governor's Council on Child Safety and Family Empowerment, and another for the Phoenix Police Department.

**WHAT WE DO:** Phoenix Police Department connects individuals suffering from substance use disorder to treatment regardless of their financial situation.

**HAVE CHILDREN?** Individuals with children can be connected to host families that provide sanctuary for children while their parents receive treatment.

**WHAT TO DO:** Come to any Phoenix Police Precinct with a State or Federal picture ID Monday – Friday, 7 am – 4 pm. Tell the front desk you'd like to participate in the Angel Initiative. If possible, make childcare arrangements for your children with family or friends, otherwise we will help.

### CRITERIA

- Cannot have a criminal conviction of possession with intent to transport or sell, no drug violation in school zone, or more than three drug related arrests.
- Cannot be a fugitive of justice or have a history of charges for crimes that involve violence, arson, sex, children or the elderly.
- Precinct on duty leadership reserves the right to deny admission if they have a reasonable belief that Angel or a community member could be seriously harmed.

### REQUIREMENTS:

- Follow staff directions
- Follow rules and refrain from illegal or inappropriate activity.
- Be able to self-manage within a non-medical non-psychiatric facility.
- Those with physical or mental disorders must be considered "stable" and take medications as prescribed.

## WHEN YOU CALL 911 KNOW THE 10 W'S

- "Call if you can. Text if you can't." was the key message rolled out during a press conference on April 2nd as text to 9-1-1 service capability becomes available for the first time in the greater Phoenix region. If you are in imminent danger and unable to talk to a 9-1-1 operator, you now have the ability to text to 9-1-1. The service goes live following months of collaboration between numerous public agencies and advocates for the disability community.
- **What** - is your location? GIVE EXACT LOCATION
- **What** - happened? WHAT TYPE OF CRIME?
- **When** - did this happen?
- These questions will determine if it is a priority call. Give as much of this necessary information as you can.
- **Was** - anyone hurt?
- **Weapons** - are there weapons involved?
- **What** - manner did they leave or arrive – foot, vehicle, bicycle...?
- **Who** - did it? –Suspect description
- **Where** - did the suspect go? – What direction
- **What** - did the suspect obtain? – type and amount
- **Who** - is calling? – Give your name location and phone number (You can remain anonymous. If you do give your name, the info is redacted from the public record access.)

## SIGN UP FOR REVERSE 911 IN CASE OF EMERGENCY

- Getting an emergency message out to those living near a catastrophe can be difficult. In Arizona, there is a reverse 911 system.
- The Community Emergency Notification System helps those managing a disaster send a message to potential victims, alerting them to stay away and stay safe.
- The Community Emergency Notification System is a robo-voice message alert going straight to your phone.
- The system automatically dials the landlines in the area of the active scene, but with landline phones nearly extinct, you must register your cell phone if you want to get the message.

[\[Click here to register your phone\]](#)

<https://maricoparegion911.onthealert.com/Terms/ndex/?ReturnUrl=%2f>

The system will be able to send text messages out and not only to those who are registered but also to anyone who is near a cell tower where the situation is ongoing.

**#9PMRoutineAz.** Having a designated time to check our vehicles and garages every night will help us combat these thieves of opportunities.  
**#ParkSmartAZ** and **#9PMRoutine!**

### IN PARTNERSHIP WITH PHOENIX FIRE!

[www.lockbox.shopkidde.com](http://www.lockbox.shopkidde.com)

In an emergency, a rapid entry system is critical to the success of first responders. Supra Lock Boxes, by Kidde, eliminate barriers, reduce injuries, and minimize property damage. Trusted for more than 55 years, our emergency key lock boxes protect a wide range of both residential and commercial facilities. In compliance with International Fire Code, these police and fire department lock boxes are mounted securely near building doors, gates, and other entrances.

## VIRTUAL BLOCK WATCH

Virtual Block Watch is one of the Phoenix Police Department's contemporary crime prevention and investigation tools that showcases our partnership with the community. Virtual Block Watch utilizes your security cameras to help solve crime. This exciting new program is now live and like all new programs, there are always new questions. Officer Martin took the time to answer these questions.

Q: How will Virtual Block Watch assist the Phoenix Police Department?

A: VBW will assist the PPD by collaborating with the community efforts to retain the theory of "being the eyes and ears" for a safer neighborhood. The recorded video will be an additional document/digital evidence of the crime for prosecution.

Q: What type of security/computer system is required in order to participate?

A: A DVR with a 30 day retention capability is preferred. This is usually a 1TB of storage capacity. It is recommended that the camera's are at a resolution of 1080p for a clearer picture but a 720p system can still be registered with Virtual Block Watch.

Q: Do you recommend any specific security/computer or camera system?

A: This will be completely up to the homeowners discretion (cost, resolution and availability of system) with the functionality and comfort level of the purchase.

Q: Does the Police Department have remote access to my security/computer system?

A: NO. Virtual Block Watch **will not** have any type of streaming capabilities or live feed from your CCTV system. The PPD will have the address of the registered system along with the locations of the camera placement.

Q: If my security system captures a criminal or crime, will I be required to testify in court?

A: NO. Once the PPD captures/copies the portion of video needed for prosecution, Forensic Imaging Tech (a city of phoenix representative) will testify on the digital evidence.

Q: Where do I get additional information on Virtual Block Watch and How do I sign up?

A: [www.phoenix.gov/police/virtualblockwatch](http://www.phoenix.gov/police/virtualblockwatch) or email your question to [virtualblockwatch@phoenix.gov](mailto:virtualblockwatch@phoenix.gov)

The Black Mountain Precinct is incredibly excited about this new program. Please share this new Virtual Block Watch program information with your friends, neighbors and community groups. Help us solve crime by getting those security cameras registered with Virtual Block Watch.

Window Signs are available at our monthly BMCA Meetings and New Metal VBW Signs are coming soon!

## On Line Reporting for PNP

[volunteer@phoenix.gov](mailto:volunteer@phoenix.gov)

Since PNP went live with [volunteer.phoenix.gov](http://volunteer.phoenix.gov) in August 2016, we have hoped to reduce duplication of effort and paper logs/worksheets. These new improvements continue this effort with the following changes. We hope to have videos up soon for the recent changes to online reporting.

### Mileage Reimbursement

PNP members who have a NBW Grant in their neighborhood that has funds for PNP patrol fuel reimbursement we are offering, as an option, beginning this month to record miles and reimbursement documents online. The log sheet has been updated for this. PNP members recording their time for fuel reimbursement this way must enter the beginning and ending odometer readings and license plate number of the vehicle used on their logs. When you are ready to do a reimbursement simply email [Brian.kornegay@phoenix.gov](mailto:Brian.kornegay@phoenix.gov) the PNP members name and the time frame you are requesting to reimburse and he will email back a report. This report will be signed as becomes your "receipt" for the grant quarterly report. The report double checks the math and calculates the reimbursement total. If this methods work well it will likely be the required method for the grants awarded in July 2018.

### PSVA Participants logging hours

In the past PNP members who also participate in the Presidential Service Award (PSVA) program had to do separate entries for PNP and PSVA. This was a duplication of effort. We have an updated combination log for PNP and PSVA. Detailed instructions went out to the PNP members who are also in PSVA.

**PNP BADGES:** If you need to get a new badge, send a message to [brian.kornegay@phoenix.gov](mailto:brian.kornegay@phoenix.gov).

## PNP order forms for 2018

The 2018 order forms are on their way soon. If you have not noticed the 2017 order forms are still online. Once the vendors get me their 2018 price lists I will have the new forms uploaded and a notice sent out by email to all of you. I have contacted the vendors and they will honor the 2017 prices until they get me the 2018 lists.

(formerly the Radisson) at Metrocenter.**

### THINK BEFORE YOU POST

This week Chief Williams attended a press conference in partnership with the FBI. The subject of the press conference was school safety and titled, #ThinkBeforeYouPost. Chief Williams conveyed the following message: This school year alone, the Phoenix Police has investigated 135 incidents; 31 of those were generated or spread by social media. Over half of these were school threats; some of which had a significant effect on the students, faculty, parents, community, and the day-to-day operation of the school. A recent incident within our city resulted in 1,300 of the 1,500 students not showing up for school. The post that prompted this came from a student who simply did not want to go to that school anymore. Another incident was a rumor that a student was armed at school and intended to harm others. This resulted in a wave of social media posts adding fuel to the fire. We must convey to our students that their actions on social media have a global effect and serious consequences. We must also empathize with those students who are too afraid to go to school. More than ever it is critical that you Think Before You Post. Everyone has the right to feel safe at school, and no one has the right to take that feeling away. The Phoenix Police will investigate every one of these incidents and recommend charges where appropriate. We will work closely with our state and federal law enforcement partners, as well.

### INTERSTATE 17 TRAFFIC INTERCHANGE RECONSTRUCTION – HAPPY VALLEY ROAD AND PINNACLE PEAK ROAD

The Arizona Department of Transportation and the Federal Highway Administration are scheduled to begin the project to reconstruct the traffic interchanges on Interstate 17 at Happy Valley and Pinnacle Peak roads, add an additional travel lane on I-17 and replace a box culvert on Pinnacle Peak Road. The purposes of the project are to improve safety and traffic flow as population growth and development in this area of north Phoenix continue to grow.

Construction at both interchange locations is occurring within existing ADOT right-of-way. ADOT does not need to acquire any additional property. Travel will be impacted while construction is underway. ADOT will share information about specific lane restrictions or closures as it becomes available.

Project Schedule Construction is scheduled to begin in late October 2018 and is scheduled for completion in fall 2020. Subscribe to receive project update and traffic information by email by visiting: [https://public.govdelivery.com/accounts/AZDOT/subscriber/new?topic\\_id=AZDOT\\_340](https://public.govdelivery.com/accounts/AZDOT/subscriber/new?topic_id=AZDOT_340)

## SIGN UP FOR BYSTANDER CPR CLASS!

Bystander CPR doubles cardiac arrest survival rates. If you do CPR within two minutes of a cardiac arrest, you can make the difference between life and death — before paramedics even get there. Just about every minute and a half, someone somewhere in the United States goes into cardiac arrest outside a hospital. If a person near you suddenly collapses, has no pulse and has stopped breathing, do you know what to do?

The first step is calling 9-1-1, but what you do next might double the person's odds of survival...

Join the Phoenix Fire Department at the Goelet A.C. Beuf Community Center on Saturday, Oct. 20 from 10:00 a.m. to noon as we host a Bystander CPR Class.

**Registration is required!** This is not a certification class, but rather a class that can train people to perform lifesaving techniques on a person experiencing cardiac arrest before emergency medical professionals arrive. Because class size is limited, please register with the District 1 Council office via email at [council.district.1@phoenix.gov](mailto:council.district.1@phoenix.gov), or by calling 602-262-7444. Please provide full name and contact information (phone number and/or email address) when registering.

**When:** Saturday, Oct. 20 from 10:00 a.m. to noon

**Where:** Goelet A.C. Beuf Community Center Multi-purpose Room 3435 West Pinnacle Peak Rd. Phoenix, AZ 85027 **Register:** District 1 Council Office 602-262-7444 [Council.district.1@phoenix.gov](mailto:Council.district.1@phoenix.gov)

## BMCA GENERAL MEETING HIGHLIGHTS

With 66 in attendance!

BMCA Vice Chair Goldie Cohen greets everyone

BMCA Chair Candice Fremouw

BMCA Treasurer Deb Pameticky and 50/50 Host Bud Pameticky

## BMCA PRESENTATIONS:

**Two BLOCK WATCH SIGNS**  
were awarded to North Park Terrace Block Watch

CAO Tom Owsley and Rocky

## **A CERTIFICATE OF APPRECIATION was awarded to Candy's Kitchen**

When hosting a recent *Coffee Talk with Tom*, Candy and her staff went above and beyond with excellent service and immeasurable hospitality. Candy has generously supported our local public schools with donations of supplies and will be hosting both a Food Pantry and Toy Drive this Christmas season. Local owned businesses are a vital part of strong neighborhoods and communities. Thank you Candy for everything you do! You and Your Staff are AWESOME!!! And the impact you are making in the community is most sincerely appreciated! *"Not all of us can do great things. But, we can do small things with great love." Mother Teresa*

Candy Ornelas and Candice Fremouw

## **COUNCIL DISTRICT Updates:**

**Council Dist. 2** Aide Nick Cappelini, Lt. Bryan Kneuppel, **Council Dist. 1** Aide Shereen Warravat and **Council Dist.3** Councilwoman Deb Stark.

Councilwoman Deb Stark

**DISTRICT 3 COUNCILWOMAN DEB STARK:** Councilperson Deb Stark stated that Councilman Warning, Mayor Williams and herself sent a letter for Council approval for "8 Hour Rule". They are asking the legal department to look at Prop 104 to see about delaying two light rail studies and use some of the money to pave our streets.

**DISTRICT 1 Shereen Warravat** said there will be a Shred-A-Thon and Drug Take Back event at Deer Valley Community Center this Saturday.

## ***Black Mountain Precinct Updates by Cmdr. Tom Van Dorn***

Cmdr. Van Dorn gave updates on Officer George and Officer Adrian Cruze. Black Mountain Police Precinct sat down to look over crime suppression reports. The hotspot areas have been 19th Ave and Bell and 32nd St and Greenway. Continued problems and efforts will be focused are 19th Ave to Cave Creek, Bell to Union Hills in addition to traffic safety, education and enforcement. Unfortunately, there has been a continued rise in car and pedestrian accidents in the entire City of Phoenix. Pedestrians crossing mid-block, not crossing in the crosswalk, not crossing in areas that are well-lit, distracted driving are just a few causes of pedestrian accidents. Chief Williams, Phoenix Division of the FBI, with Phoenix Prosecutors were on the news about school threats. Phoenix receives numerous threats and hoaxes that are posted on social media by our juveniles. These hoaxes and threats are taken seriously and three juveniles have been booked in the past two weeks for just that. It is a crime to take to social media to send text messages, emails, to threaten to shoot your fellow students, threaten to show up with a gun on school campus. With everything going in the United States this is something our Police Chief takes very seriously and something Black Mountain Precinct takes very seriously. If there is probable cause to believe that can proved the kids are going to jail for it. It sounds pretty harsh but with everything that is going on nationwide level, we can't afford not to take every step to keep our kids safe as possible on school campuses. Chief Williams will continue to put out information from FBI as so far as the educational campaign and join forces. Cmdr. Van Dorn wants everyone to continue to stay safe and thank you for being the eyes and ears we are the best partners to have. Black Mountain Precinct has the highest Coffee with a Cop turnouts. He noted attendance is well over 100 plus people at every single one of those events which is not seen at other parts of the city that is a true credit to the partnership he hopes we continue to build upon here in north Phoenix.

## **BREAK OUT SESSION**

# PRESENTATION:

## NATIONAL INTEGRATED BALLISTIC INFORMATION NETWORK (NIBIN)

with Lt. Mark Heimall and Det. Michelanelo Caggiano

Lt. Mark Heimall

Candice introduced Phoenix Police Department Detective Michelangelo Caggiano and Lt. Mark Heimall to present National Integrated Ballistic Information Network and how it works to identify and apprehend "the trigger pullers." Lt. Heimall has been with the department for 22 years and currently supervises the Violent Crimes Bureau for the past year. He detailed the number of staff, number of monthly cases, and the number of school threats. Lt. Heimall introduced Detective Caggiano a 17-year veteran with subject matter experience with firearms investigation. The goal of the Phoenix Police Department Crime Gun Investigation Unit is to impact gun violent crime overall in the community. This is accomplished by providing timely investigative information and conducting varying levels of criminal investigations to identify and apprehend "the trigger pullers" while also interdicting the flow of firearms to violent crimes. The team will proactively and aggressively target career criminals using firearms through technology community engagement.

## SEPTEMBER 15, 2018 SHRED-A-THON & DRUG TAKE BACK EVENT AT DVCC

On September 15, 2018, Mayor/Councilwoman Thelda Williams along with the Black Mountain Police Precinct, Deer Valley Community Center, and ASDD Document Destruction hosted a Shred-A-Thon and Drug Take Back event at the Deer Valley Community Center located at 2001 W. Wahalla Lane. This is an important event to reach out to the citizens of Phoenix to educate the importance of properly disposing unused medication and ensure documents are properly discarded to avoid identity theft.

Four students from Sandra Day O'Connor's National Honor Society volunteered their time on a Saturday to assist the city with this important event. Despite the extremely hot weather, the kids did a great job helping out the community.

# CRIME TIPS:

## WHAT YOU NEED TO KNOW ABOUT THE GRANDPARENT SCAM

Our grandparents are often among the most important people in our lives. As we celebrate them on September 9, know that they are at risk for the "grandparent scam." Here's how grandparents are targeted.

### HOW IT WORKS:

You get a frantic call from someone claiming to be your grandson or granddaughter. The caller says there's an emergency and asks you to send money right away. But there's a good chance this is an imposter trying to steal your money through the "grandparent scam."

Scammers usually claim to be in a desperate situation, such as being involved in a car accident or needing money to get out of a legal mess. The caller poses as your grandchild, or a law enforcement officer or attorney calling on your grandchild's behalf – whatever it takes to sound convincing. Read an account of how the scam played out for one [grandmother](#).

### WHAT YOU SHOULD KNOW:

- The caller may have personal information, such as family member's names that they could have found on social media sites.
- The caller will likely ask that you send the money by wire transfer or gift card.
- They will likely beg you to not tell anyone.

### WHAT YOU SHOULD DO:

- Try to reach the person the caller is claiming to be directly. If you can't reach him or her, contact a friend or family member to try and validate the emergency.
- Ask some questions that would be hard for an imposter to answer, like a pet's name or a mother's birthday.
- Don't send money unless you're sure the situation is real.

## SPECIAL ALERT: THREE THINGS TO PROTECT YOUR IDENTITY FROM SCAMMERS

Data breaches are now so commonplace that it's easy to feel overwhelmed and powerless. But even if your personal information is out there, you can protect your identity with these simple but important steps.

### RETHINK YOUR PASSWORDS:

Use unique passwords for each of your online accounts. That way, if one account is hacked, it doesn't put your other accounts at risk. A good way to manage all of those different passwords is to use a digital password manager. These services can help keep all your passwords secure and help you create strong passwords for each of your online accounts.

### SET UP DIGITAL ACCESS TO YOUR FINANCIAL ACCOUNTS:

Scammers can easily use your personal data to open up accounts in your name – making it difficult to recover your accounts and hard-earned money. It's important to set up online access to all of your financial accounts – bank accounts, credit cards, 401(k)s, etc. That way you can regularly monitor the accounts so you can stay up-to-date on all transactions and quickly spot and report any fraudulent activity.

### FREEZE YOUR CREDIT:

Put a security freeze in place with each of the three major credit reporting bureaus: Experian, Equifax, and Transunion. That way no one can access your credit file or open a new credit account with your information. For a guide to the process, visit [www.aarp.org/CreditFreeze](http://www.aarp.org/CreditFreeze). Traditionally there has been a fee for freezing (and unfreezing) your credit, but thanks to legislation passed by Congress in May 2018, the process will now be free as of September 21.

When it comes to fraud, vigilance is our number one weapon. You have the power to protect yourself and your loved ones from scams. Please share this alert with friends and family.

### THE AMAZING LIBRARY CARD

Consider Phoenix Public Library as a place to start when you need something. Today, your library offers so much more than books. While books are, and always will be a core feature, having a Phoenix Public Library Card offers you access to a more significant range of information, resources, and things to do. Know someone that should have a card but they can't come in just yet? Tell them about our eCard for instant digital access of Phoenix Public Library resources. Then, when they are ready, they can turn their eCard into a full-service card by visiting any of our locations. For information about how to get a library card and other library information, please visit: <https://www.phoenix.gov/library>

WHERE WE POST INFORMATION AND **LIVE VIDEO** OF MEETING PRESENTATIONS AND COFFEE TALK WITH TOM! (Thank you to Linda Santana!)

### ***From the Desk of Bill Montgomery-***

We just wrapped up our 2018 “Don’t Leave Me Behind” vehicular heatstroke campaign, and thanks to the diligence of Maricopa County residents, we reached our goal of **ZERO** deaths of children left in hot cars this summer! As we all know, though, the heat will continue for another couple of months, so please remain aware of this danger for kids and pets. With plenty of time left for enjoying your swimming pool this year, watch your kids around water, too, please.

Looking forward, the fall months bring this Office even more opportunities to engage with the community. We’re now well into our Friday Night Football Patrol Program with just under 5,000 students signing a pledge to stay drug and alcohol free; and that’s with only the first three schools we’re visiting this year. We’ll also be out this month at schools in support of Teen Suicide Prevention Awareness activities, talking with kids about the anti-bullying messages they want to share.

I’m also pleased to give you a glimpse into our Crime Analysis team and how they work with our Community Based Prosecution Bureaus to address the most significant public safety threats in our community. This partnership is achieving real results and we have a great example of a successful case to share.

We hope to see you out at one of our community events this month.

*Bill Montgomery*

Bill Montgomery, Maricopa County Attorney

## **Two Key Annual Reports Now Available**

The Maricopa County Attorney’s Office has two recently released reports available on our website: [MaricopaCountyAttorney.org/AR](http://MaricopaCountyAttorney.org/AR)

The *2017-2018 Deferred Prosecution Report* describes MCAO diversion programs currently in place in order to provide expanded prosecutorial options. In addition to annual statistics, the report provides information on drug diversion, justice court diversion and child abuse diversion options. Also available is the *2018 Annual Activity Report on the Multidisciplinary Protocol for the Investigation of Child Abuse*. This annual activity report presents information on the number of cases submitted for prosecution in various offense categories in addition to accomplishments by the MCAO last year related to child abuse diversion, sex assault kits and our annual vehicular heatstroke awareness campaign. Copies of both reports are now available for downloading.

## **Beware of flood damage when buying a used vehicle**

### **Vehicles damaged in Hurricane Florence can make their way to Arizona**

PHOENIX – Recent storms have given Arizonans in the market for used cars even more reason to pay close attention to a vehicle’s condition and history, especially in private sales. Cars damaged by floodwaters such as those resulting from Hurricane Florence can sometimes find their way to Arizona to be sold.

If a vehicle is flood-damaged, the title should say “salvage” or “flood damage.” But scammers can and do fraudulently remove flood history from vehicle titles.

“We want to make sure potential buyers remain vigilant when looking at used vehicles and not sign anything until the vehicle has been checked over bumper to bumper,” said Willie Hall, detective sergeant with ADOT’s Office of Inspector General, which investigates fraud involving titles and vehicle sales. “Flood-damaged vehicles that have been repackaged and dressed up are a common scam after major weather events like what we’ve seen recently.”

Potential buyers should closely inspect vehicles and be prepared to walk away if things don’t smell right – quite literally in some cases.

• Check out all of the vehicle’s nooks and crannies. Look inside under the carpet and floor mats and examine the trunk for dirt, silt and mold. Check under the dashboard and other hard-to-reach places as well. Criminals usually don’t clean all of those places. Finally, take a good whiff in those areas. Water damage leaves a distinctive smell.

• Check the electrical and mechanical components. Water wreaks havoc on electrical systems, so check to see if any of those systems aren’t working quite right. Also check the engine for signs of rust or even random new parts. Get under the vehicle and check the suspension for water damage. Any of those things could be a sign that you’re in danger of buying a flood-damaged vehicle. It’s always a good idea to have any used vehicle you’re looking at buying checked out by a trusted auto mechanic.

A vehicle identification number can be used to obtain the vehicle history through an online service that may charge a fee. This check can uncover a vehicle’s status as “salvage” or “non-repairable,” as well as maintenance problems, collisions, insurance claims and titles issued in other states.

Neighborhood College is a one-of-a-kind collaboration of workshops and hands-on learning experiences brought to you by multiple city departments. The intent of the program is to provide each participant with knowledge about the city's programs, services and resources; the tools to access those resources; and the skills and ideas with which to build positive, sustainable communities. Everyone is welcome! Regardless of whether you're a seasoned community leader or a new resident just looking to get to know your new home better, Neighborhood College is flexible enough to meet the needs of all Phoenix residents! We hope to see you at one of our many free workshops – and encourage your neighbors to do the same. **To sign up, call us at 602-534-4444.** **Online registration:** We've partnered with the Parks and Recreation Department to use their online enrollment process. You will be taken to "Parks and Recreation Online" where you will need to sign up for a free account. This is a one-time process that will only take a few moments. You will then be able to use the site in the future to sign up for any additional workshops.

**STRUCTURES:** The maintenance of a home is the responsibility of the property owner. Any wood, siding, shingles, roof covering, railings, fences, walls, ceilings, porches, doors, windows, screens and other exterior parts of any structure on the property must be maintained in weather tight, sound condition and in good repair. The property owner is responsible for making sure there are no doors or windows left open and not secure to the outside. *FOR HELP call the Preservation Division of the Neighborhood Services Dept. at 602-495-0700 to see if you qualify for a free Grant!*

**OUTDOOR STORAGE:** All outside storage that can be seen from the street should be inside sheds or cabinets. Items should not be set in car ports in view of the street. Please use enclosed areas or backyards.

**JUNK, TRASH & DEBRIS:** Junk, trash and debris cannot be left in the yard or car port and must be properly disposed of. This includes junk auto parts, appliances, furniture, building and/or landscaping material, trash such as discarded papers, cardboard, plastics, etc. including tree trimmings and fallen limbs or any other items that appear to have been discarded. The only exception is during the Bulk Trash Collection weeks four times a year.

**PARKING:** Parking is only permitted for passenger cars and motorcycles on residential streets, on driveways or in garages. A driveway or parking area must be constructed with an approved dust free parking surface. The stone must be 1/4 -3/4 in size with a permanent border holding it in. 1/4 minus size stone is not allowed for parking. There are limits to the amount of front yard area that can be used for parking. Only 35% of the front yard may be converted to driveway or dust free parking.

**GRASS AND WEEDS:** Grass and weeds must not be allowed to grow over 6 inches high due to fire hazard, allowing the weeds to go to seed and spreading throughout the neighborhood and insect infestation.

**ELIMINATE GRAFFITI:** Keeping the neighborhood graffiti free is something we can all do. If there is graffiti on your property, please remove it as soon as possible. The Graffiti Busters Program provides paint, supplies and training to assist groups with eliminating graffiti. The City will also remove the graffiti from private property with written permission from the property owner. Call 602-495-7014.

# "JUST IN CASE"

*the unthinkable happens  
and your loved one is missing or lost!*

Have all important updated identification  
information available at a moment's notice!

## **FREE PERSONAL ID KITS** **for Children, Adults & Seniors!**

*Made possible by the Phoenix Neighborhood Block Watch Grant Program*

The **Black Mountain Community Alliance** Board Members are trained and available to attend your Community Events with the EZ Child ID System. The PERSONAL ID KIT is for children and adults of all ages.

To schedule the BMCA to come and do PERSONAL ID KITS at your Event, please allow two months lead time and **call Candice Fremouw at 480-467-7399** to check on the dates the BMCA has available. We will then e-mail you an EVENT APPLICATION FORM to fill out and return to us at [info@bmcainfo.com](mailto:info@bmcainfo.com)

***We are available to the general public for PERSONAL ID KITS on the 4<sup>th</sup> Thursday of each month (except June, July, November and December) from 6 – 8 pm at the Deer Valley Park Community Center, 2001 West Wahalla, Phoenix, AZ 85027.***

### **Upcoming 2018 DATE:**

**October 25<sup>th</sup>**

#### **KEY FEATURES of the PERSONAL ID KIT:**

- The PERSONAL ID KIT includes contact information, digital fingerprints, photos & video interviews
- The EZ Child Computer System digitally scans all 10 fingerprints in a matter of seconds
- The EZ Child Computer creates Child, Adult and Senior ID reports along with two laminated ID Cards & CD-R
- The Child/ Adult/Senior CD contains photos, fingerprint images, videos and age-appropriate crime prevention information
- The Medical ID captures vital prescription drug information and phone numbers for doctors
- **ALL FILES ARE PERMANENTLY DELETED AND FORMS SHREDDED AFTER EACH INDIVIDUAL SESSION SO THAT ONLY THE PARENTS, INDIVIDUALS, OR CAREGIVERS HAVE THE PERSONAL INFORMATION**

## **BLOCK WATCH IMPROVES THE QUALITY OF LIFE WITHIN NEIGHBORHOODS**

Block Watches come in all sizes. They can be a few houses in a cul-de-sac to a whole square mile neighborhood. They help to develop a "sense of community" and strengthen and sustain neighborhoods by bringing residents/neighbors together with a common interest.

Every Block Watch starts with one person and their concern for the safety and well-being of themselves and their families. Their motivation may be to meet or get to know their neighbors to protect the children, to keep property values up by eliminating blight and graffiti, to stop speeding on the streets by installing speed humps to protect the children, to have peace of mind by discouraging barking dogs and loud parties, and to be safe from crimes like burglary, theft and assault.

We all want to live in a safe and secure environment. Our homes should be safe havens. By rights there should be several layers of protection from the national level to our own neighborhoods. National and state governments provide control of our borders; state and city governments provide police and fire protection, education, and other resources, community member groups provide Phoenix Neighborhood Patrollers and the posting of PNP signs on neighborhood streets; Block Watch provides neighbors watching out for neighbors; and we provide our own home security alarms, lighting and burglary prevention measures.

## **AN INVITATION TO ALL BLACK MOUNTAIN COMMUNITY ALLIANCE MEMBERS and ASSOCIATES TO TOUR THE CITY OF PHOENIX LABORATORY SERVICES BUREAU**

Every Tuesday and Thursday at 10 am and 1 pm, we hold tours of our building at 621 W. Washington Street for those who are interested in Science, Biology, Crime Scene, Evidence Processing, etc., or what it is we actually do. It has become a very sought after event for many citizens of Phoenix and visitors to our state. I want to go a step further and extend an invitation to other stakeholders throughout the City of Phoenix, community groups and organizations, but most importantly your organizations – Black Mountain Community Alliance and the East Black Mountain Partnership.

I feel it is very important for not only our citizens to understand what it is we do behind our walls. This will give you all a great opportunity to understand what happens on the back side of the crime we hear about daily and helps you all understand the need for our services to the community.

I am opening our doors to you and would love to have as many of your organization attend a short tour of our building at your convenience and pleasure.

## REGISTER WITH BOLOCOP FOR CRIME ALERTS

[www.bolocop.com](http://www.bolocop.com) is web-based delivery system built by law enforcement to be used by law enforcement to provide direct communication to businesses and community members. The service is free and there will never be a cost associated with using or receiving BOLO/ALERTS!

Simply go to [www.bolocop.com](http://www.bolocop.com) and register for the alerts. You can choose alerts for the state, a city or just your zip code

You can help police solve crimes in your community if you're willing to "BOLO" (Be On the Look Out). An easy way to do this is to register at [BOLOCop.com](http://BOLOCop.com), a web-based communication program that will send you alerts from law enforcement agencies seeking the public's help on a range of public safety issues, including locating missing persons, identifying probation violation offenders, and recovering stolen property. The service also distributes information about crime trends that may be impacting your neighborhood.

Created in 2012 by Gilbert Police Crime Prevention Officer Vickie Owen and website developer Steven Mueller, BOLO Cop is used by hundreds of federal and state law enforcement officials to distribute critical police information in a variety of ways to individuals and businesses. The site will soon add a national registry known as the "Silver Directory" which allows members of the public to add information about a loved one suffering from dementia which can be used by police to find the individual's home should they be found or if they need to activate a Silver Alert.

BOLO Cop had its origins in a fax-based service started by Peggy and Paul Secaur in 1990. After Paul received a business fax that helped him and police apprehend a purse thief in the building he worked in, Paul and Peggy got the idea for Fax Net 1 and started sharing faxes with neighboring businesses about crimes in the area. Within weeks of launching the service, police were able to catch a bank robber, break up a counterfeit ring, locate an elderly man suffering from dementia and divert an attempted rapist.

For questions please call Officer Vickie Owen of the Gilbert Police Dept. Crime Prevention Unit at 480-635-7521 or [Vickie.Owen@gilbertaz.gov](mailto:Vickie.Owen@gilbertaz.gov)

## ACCESS NEIGHBORHOOD CRIME INFORMATION

Do you know what is happening in your neighborhood? If you are a Block Watch or PNP Group, it will be beneficial to know what is happening in and around your neighborhood! Did you know that you can sign up for alerts and access information, like dates and locations, on Burglaries, Thefts, and Assaults by going to [www.phoenix.gov](http://www.phoenix.gov) Select DEPARTMENTS, then POLICE, then CRIME STATISTICS & MAPS-

Welcome to the Phoenix Police Department's crime mapping website. Once you have read and accepted the disclaimers below, you will be directed to the RAIDS Online website. RAIDS online is a program operated by BAIR Analytics through a government contract with the City of Phoenix. The following does not constitute an endorsement of BAIR Analytics, its products or its services.

Using the RAIDS Online site, you can query and map selected crimes for your neighborhood within the City of Phoenix.

**RAIDS Online is now LexisNexis Community Crime Map** The same free mapping platform facilitating automated, transparent communication between law enforcement and the public, with a new name.

YOU MUST AGREE TO THE TERMS BELOW BEFORE ACCESSING THE CRIME MAPS

Recovering from identity theft is easier with a plan. If someone has stolen your identity, or you've gotten a notice about a data breach, visit the FTC's new site at [IdentityTheft.gov](http://IdentityTheft.gov) for help. [IdentityTheft.gov](http://IdentityTheft.gov) is the federal government's one-stop resource to help you report and recover from identity theft. It's also available in Spanish at [RobodelIdentidad.gov](http://RobodelIdentidad.gov).

If you visit the website for the Federal Trade Commission [www.ftc.gov](http://www.ftc.gov) and go to Publications (type publications in the search bar) you should be able to locate approximately 187 different FREE publications on all types of different topics. This may be a good resource for community information without the burden of paying for printing.

**You can also get on the  
DO NOT CALL REGISTRY!**

The **Do Not Call Registry** accepts registrations from both cell phones and land lines. To **register** by telephone, call 1-888-382-1222 (TTY: 1-866-290-4236). You must **call** from the phone number that you want to **register**. To **register** online ([donotcall.gov](http://donotcall.gov)), you will have to respond to a confirmation email.
