

# EXPECTANT

Rachael Martin 11,1,2016

**1 John 5:14-15 - We are confident that God listens to us if we ask for anything that has his approval. <sup>15</sup> We know that he listens to our requests. So we know that we already have what we ask him for.**

What are you believing God for today? We would like to believe with you today for what you've been praying for. When you are expecting something it means that you KNOW it's going to happen. So faith has a large part to play when we pray because not only are we praying and believing that a Sovereign God hears us, but we are believing that He will answer us – otherwise – what hope would we have?

When you are expecting your paycheck, you don't think "it better not NOT be there" you think "when I get my check I'm gonna ---- (*fill in the blank*)".

When someone calls you and says they are coming over, you don't sit back down and think "they will never come" – you get up and make a pot of coffee or unlock the door or throw everything in the closet real quick! (lol) You EXPECT they are going to follow through with what they said.

How much more should we depend and be expectant upon a God Who loves us and Who NEVER lies? And because you and I believe, it's NOT going to be the way it's always been.

I feel like there are some of us who need a PUSH in the spirit that YOUR PRAYERS ARE BEING HEARD AND GOD IS ON THE MOVE! He is working things out for you and He knows the best timing for all things pertaining to you and your life – exactly where you are – is where He will meet you – as you lean on Him and talk to Him today – lean into the expectation that He WILL ANSWER – HE WILL BE THERE FOR YOU!! So will we!! If you have a prayer request, we would like to believe with you. Feel free to make your requests known on our Facebook wall and we will believe with you. You know your situation better than we do and we don't need to know specifics – because God has ALL the details. Leave a prayer request and we will agree with you in the matchless name of Jesus and we will EXPECT WITH YOU for the Lord to move in your life and on your behalf. Amen?

Don't forget some things have to take time to be prepared for you, just like a pregnancy – there are going to be things that you will have to carry through to term, just like a deadline that is set in the business world – it's set so that things can fall into place prior to that deadline. We will believe with you during the time of waiting. No matter how long – it will not tarry because God is faithful to see it through.

**Hebrews 4:15-16 - We have a chief priest who is able to sympathize with our weaknesses. He was tempted in every way that we are, but he didn't sin. <sup>16</sup> So we can go confidently to the throne of God's kindness to receive mercy and find kindness, which will help us at the right time.**
