

RETURN OF THE LOST ARK

REPLICA PRELUDE OF THE UNVEILING

Why the 3rd Temple has to be Built

by Luis B. Vega

vegapost@hotmail.com

www.PostScripts.org

One was forwarded this following Article about how a Replica of the Ark of the Covenant has 'Returned' to Israel. It was very interesting. Although the Article did not say where the Volunteers were from or what Nation. One deduced that it was from the USA that the Finished Product was shipped from as it was shipped under a Military Designation from the Department of Defense. DoD. Obviously, having Jews in those various Federal Agencies at High Places would or could only make this happen.

MODERN DAY VOYAGES OF THE ARK OF THE COVENANT

by Jim Hoft

Gateway Pundit

<https://www.thegatewaypundit.com/2024/10/modern-day-voyages-ark-covenant>

One sees this Event and Endeavor as a Prophetic Prelude of when the Real Ark of the Covenant is to be rolled-out and in similar fashion. In that Place and Time, there will be no need for a Replica as the Real one will be what the World will be able to see. What a Day that will be. Of course, one has one's own Theory concerning that and it is based on the Work of the Late Ron Wyatt.

One is more convinced of this supposed Eyewitness Account, how the Ark is approximately 40 Feet under a Hidden Chamber in Jeremiah's Grotto. And that the Site is directly below the Crucifixion Spot where Jesus' Blood trickles down the Crevasse to have the Blood drip into the Mercy Seat as the High Priest would have done on Yom Kippur, etc. The only Discrepancy one sees or is taking into account is the Depiction of the Cherubim.

The Article suggested that the 2 Cherub were a representation of the Male and Female Kind. One is not aware of there being any Female Cherub Gender noted or revealed in the entire Bible. Now, there is that account in Zechariah 5. But that was a 'Vision' and not something that was literal. So, just because Female Cherubim are not concretely identified does not mean that there are some, to be fair but one doubts it.

Any time there is a Vision of Heaven, the Throne of YHVH, i.e., the Divine Council or a Christology/Theosophy, any Apparition of any type of Cherubim is Male in Gender, etc. Based on Ron Wyatt's Account the Wings of the Cherubim constituted the back Support of the Throne. See Chart attached for a visual illustration. The Discrepancy of the Cherubim is because the Bible was vague on that matter as this Replica is more so a Replica of the Raiders of the Lost Ark Version.

Instrument of War

Now, what was rather fascinating about this Ark of the Covenant Replica being sent to Israel is how one can see this Endeavor as a Prelude to the Real One eventually coming-out. If Israel ever needed the Ark of the Covenant to go into Battle as it did in Biblical Times, it is now. As the Ark is the Facsimile of the very Throne of YHVH, it was how YHVH led Israel in the War Zones. But it did become like a Lucky Charm of sorts. But in terms of Prophecy, it will play a Key Role in how it is going to be directly connected to the False King David 2.0.

It is because the Biblical False Jewish Messiah or the AntiChrist will be the one that will roll it out. And that is to then demand that the Temple be built to how the Ark as King David's Burden was centered on. And it is the AntiChrist that will sit on this Earthly Throne of YHVH at the Half-Way Marker of Daniel's Last Sabbath of Israel's Discipline that is yet to be completed.

So, the Ark's Itinerary recounted the Spots it once had Biblical connections to was amazing. And how it was at Shiloh that the commemoration happened to coincide with Sinwar's Death in Gaza. That was pretty neat. One had read that this Ark of the Covenant Replica will be housed at the King David Hotel. That would be most appropriate.

THE ARK OF THE COVENANT

THRONE CHAIR OF YHWH IN THE EARTHY JERUSALEM

THRONE CHAIR OF THE ANTICHRIST

The purpose of this illustration is to suppose that the original Ark of the Covenant that Moses built at Mount Sinai is still in existence and hid away. There are those that believe it is hidden in subterranean chambers beneath Jeremiah's Grotto, which is outside the walls of Jerusalem and next to the Skull Precipice and Garden Tomb. The main question is, which supposes that the Ark of the Covenant is to be re-revealed in the Last Days? This study believes that the Ark will play a central part based on Daniel's Last Week of Years and the coming 3rd Temple. The argument is as follows: If Jerusalem was instrumental in hiding the Ark of the Covenant in the caves just outside of Jerusalem, why did it not surface at the end of the 70-year period? This study believes that the Ark will play a central part based on Daniel's Last Week of Years and the coming 3rd Temple. There will be a coming Antichrist or false Messiah that Israel will accept. At a certain time, this man is said to enter a Temple, the Holy of Holies where he first will take a stance and then enter the Holy of Holies. He will place the Ark and call the Holy of Holies. If the future Temple of Holies will be the third of the 2nd Temple, then there will be no place to fit that perfect cube. For it will be totally dark and empty. Foremost, one does have to believe and extrapolate that there will be a physical 2nd Temple built at some point in time. Then there has to be some sort of object or furnishing within the Holy of Holies that resembles a 'chair' or throne more like it, that the Antichrist will be able to 'sit' on.

REVELATION OF THE ARK OF THE COVENANT FOR THE 3RD TEMPLE

Will such holy vessels be revealed soon that perhaps have been hid all these years in the underground chamber of Jeremiah's Grotto? This study is not suggesting that now precisely on the 70th year from the Ark of the Covenant's to be revealed but that Israel has reached a significant and perhaps prophetic milestone for such an endeavor to take place soon thereafter.

THE THRONE OF YHWH

The Shekinah Glory

ARK OF THE COVENANT

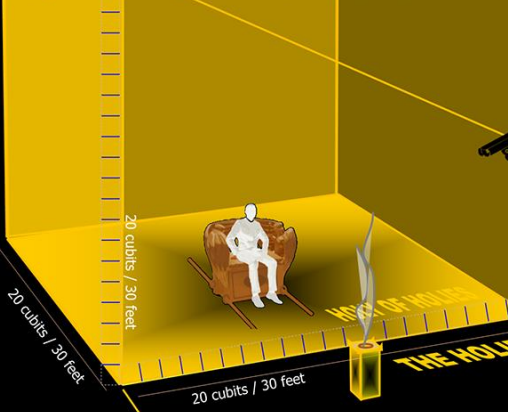

Is it any coincidence that the efforts of such institutions like the Temple Institute and others have reached the conclusion of their preparations to coincide with Israel's 70th year marker anniversary? The 70th year time marker is such that Israel is now qualified and able to receive and transport the Ark of the Covenant and prepare the Temple Mount to be consecrated by the God of Israel, etc. This 70th year has been said even as far back as 2 years from the 70th year anniversary.

This 'throne' is where the Antichrist will 'sit' and proclaim that he is 'God' and will demand worship of all Humanity. This will be the event that Jesus mentioned would occur at the midpoint of the 7-year Tribulation Period called the Abomination of Desolation by the prophet Daniel when Christ revealed it to him. Realize that the Holy of Holies was a perfect cube, a 20x20x20 cubit or 30x30x30 feet chamber that was not lit and unadorned with only a thick veil. Consider that the High Priest could only enter it, once a year on Yom Kippur, atonement and atonement of the land, to bring in the blood and apply it to the Ark of the Covenant. The light radiated from the Shekinah Glory provided the light.

If there is still a Freemasonic connection to the revealing of the Ark of the Covenant, it would be in keeping with the notion that the coming Antichrist will be Masonic and thus qualified and entitled to build the 3rd Temple. He will take the mantle of Solomon by proxy. It would also be in keeping with the direction of how the coming Golden Age will be attempted to be reintroduced by the Luciferians whose theme is illumination, enlightenment, order and progress, etc. The Passover and 'Dobson' type Jesus stated that they are in reality seeking to do nothing but 'kill, steal and destroy.'

TEMPLE MOUNT

Top View

Apparently, the Jews were spiritually unworthy for such a restoration until they would set their heart to be restored fully by 2018. As the case now Israel is suffering partial blindness according to the Apostle Paul. However, since 1948, YHWH has embarked on a staged restoration, in pieces and prophetic despite their national heart's condition. By some interpretations, the timing of this national restoration is equated to the building of a 3rd Temple that Jesus intended Israel would become. Thus, the question remains, has the Ark of the Covenant been hid until a degree of spiritual 'worthiness' is attained in Israel to reveal it from the best condition conceivable in theory, the efforts of such enterprises as the Temple Institute, the Temple Mount Faithful and others, would suggest that indeed, a true spiritual threshold has been attained, and thus to coincide with the 70th year marker.

What illuminated the Holy of Holies chamber if there was no light in the 1st Temple? The light in these days came from the Glory of the Presence of YHWH that resided in-between the 2 Cherubim of the Ark of the Covenant. What will light up the Holy of Holies during the 3rd Temple? It will be the Light of Lucifer as the Bible clearly states that Lucifer can enslave himself as an Angel of Light. This is exactly what Decker will embody the Antichrist to sit on the Ark of the Covenant, etc. The Ark of the Covenant was not one of the items inventoried as plunder by the Babylonians. As it was used in Israel's premier rite, the Babylonians, like the Philistines would have paraded it, written all about it and described it for sure. It would have been the prized position to parade in the main street of Babylon, etc.

THE PLACE OF THE SKULL

The purpose of this study is to investigate the alternate site of the crucifixion of Jesus Christ. Most of the definite location attributed other than what the Bible states that it was outside the Jerusalem at the Place of the Skull or Calvary. This word is skull in Latin and Golgotha in Aramaic. This study seeks to show that there are some logical geometrical relationships based on time and distance and specifically related to the phi ratio. One possible location of the crucifixion is believed to be adjacent to the grotto of Jeremiah's Cave just outside the Damascus Gate. To the north of the Old City of Jerusalem. The grotto facade does appear to be that of a 'skull' although it has been defaced by both Muslims and Jews. Presently the facade borders a bus terminal parking lot. If this was the locale of where the gate and or altar was set-up when YHWH sacrificed the first animal, perhaps a lamb to cover the nakedness of Adam and Eve, then they truly lived in the flesh. The facade is a popular site and a popular song once stated.

Crucifixion Site
2520 ft
from sea level

Ron Wyatt did extensive archaeological digs and purported to have discovered the actual crucifixion site and the cave that hid the Ark of the Covenant.

Many believe the purported crucifixion site as discovered by Wyatt could have been the place where Abraham attempted to sacrifice Isaac.

Skull Facade
777 m
from sea level

Pinnacle of Mount Moriah Plateau

THE GARDEN TOMB LAYOUT

This study suggests that as a prophetic typology, the Garden Tomb is what Jesus was laid to rest and became the tomb of the Temple of YHWH in the East.

ARK OF THE COVENANT DIMENSIONS

TRUE GEOMETRIC LOCATION AT THE DOME OF THE TABLETS

The purpose of this illustration is to suggest that the entire Temple Mount Complex, is in itself a 'Facsimile' of the Ark of the Covenant Dimensions. Consider the following Correlations. The Dome of the Tablets correspond to the 10 Commandments. The Jar of Manna to the Dome of the Rock. The Foundation Stone is round like that of the Manna and the Dome itself is like a 'Jar'. The Staff of Aaron corresponds to the Orion 3 Belt Star Alignment.

CRUCIFIXION OF JESUS

PROBABLE MATHEMATICAL PROPERTIES OF THE BLOOD ATONEMENT

The purpose of this illustration is to build upon the work of the late Ron Wyatt and his theory about the place and circumstances surrounding the Crucifixion of Jesus Christ. Specific to the Research of Ron Wyatt, this study suggests that if the stipulations are correct, then the following correlations are probable based on approximate mathematical measurements of distances primarily from the point of the supposed spot of the Crucifixion of Jesus Christ. According to Ron Wyatt's eye-witness account, he dug through to the Cave where the Ark of the Covenant was hidden and the other Temple furnishings were hid away before the Babylonians came and led Judah to the captivity of 2nd Diaspora. Astonishingly, Wyatt surmised that the Crucifixion Spot was directly upon some 40 feet. Moreover, during the Earthquake recorded in the Gospels, the Rocks rent to create a Cravasse that lets the Blood of Jesus flow down to the very Mercy Seat of the Ark. The Jews are looking for a coming Messiah Figure that will allow them to build the 3rd Temple in time of Peace. After the Diaspora in Babylon for 70 Years, it took a Cyrus type of Man to Decree that Jerusalem be rebuilt. This facilitated later on the eventual construction of the House of YHWH. There was actually a fall in the time that the return of the Exiles started to come back. The Walls were built 1st and eventually the 2nd Temple was then constructed. In the Last Days, will there be a repeat of this Prophetic-Historical Pattern. Since 1948, the Exiles from the Last Diaspora since 70 AD started to return to Israel and the Walls have been built up now. What remains is the construction of the 3rd Temple. Who will be this coming 'Cyrus Anointed' that will facilitate the decree? What could be 1 of the main catalysts that demand such a Temple? It will be after a War. Then 1 such variable and element would be the revealing of the Ark of the Covenant.

This study suggests that the very Crucifixion of Jesus Christ was also fashioned according to Mathematical distances to include a phi ratio factor that correlated approximately to how far the Ark of the Covenant was an approximate distance from the exact Crucifixion Spot. Throughout the Bible, both Old and New Testament there is a clear theological application of how Jesus or the Messiah is a type correlating to the many types and shadows of various elements presented. Most, if not all involve Mathematical Coefficients even.

One such element is the Ark of the Covenant. For example in a brief summation, the contents of the Ark had the Law Tablets, the Bread of Mana and the Staff of Aaron. They all speak of the broken Laws of YHWH that need Blood Atonement or that of a Covering. The Mana or Bread speaks of how Jesus said that He is the Bread of Life. And the Staff of Aaron that budded speaks that Jesus is not only the Branch or coming Messiah Reader but that He would be resurrected.

If the top of the Head of Jesus is the edge and the Feet of Jesus is one factor of the entire measurement, it is speculated based on the supposition of the Garden Tomb that the height of Jesus was about 5'11". What is also a contributing factor is that based on Wyatt's excavations, Jesus was apparently elevated on to a 4 foot Platform as to highlight the spot that was perhaps reserved for the most vile of Offenders and to be clearly seen of the city crowds just outside the Damascus Gate.

יהוה
TETRAGRAMMATON

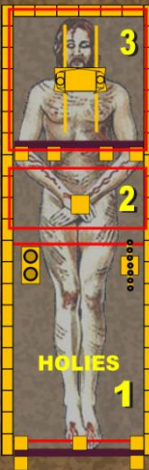

שׁוּעַ הַנַּצְרִי מֶלֶךְ הַיְהוּדִים
JESUS KING NAZARENE YESHUA

A Father sacrificing a SON

GARDEN TOMB TABERNACLE

HOLY OF HOLIES

Tabernacle of Moses

This study suggests that like the very site of the Crucifixion to the supposed Cave where the Ark of the Covenant was hidden is in phi ratio proportion of distance. If one takes the Height of Jesus to have been 5'11" based on the modification of the Garden Tomb, and then the 4 feet elevated Crucifixion Spot, then one can approximate the distance Mathematically to conclude that indeed the Cave right below the Cross of Calvary where the Lamb of YHWH was sacrificed was approximately 40 Feet below.

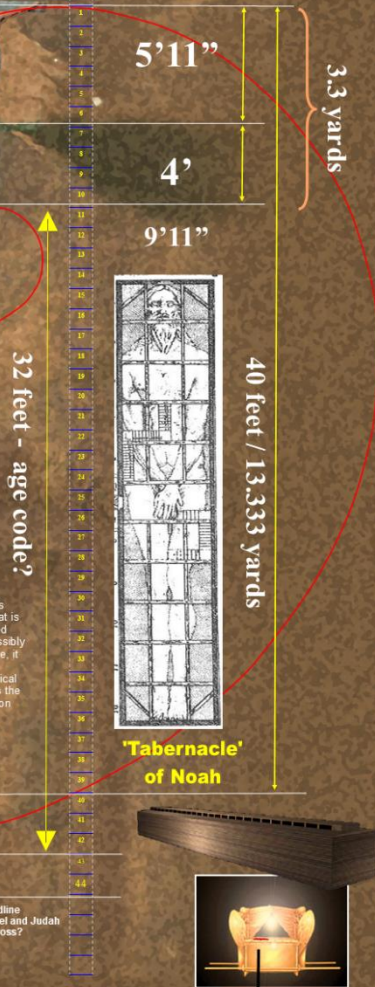

40 feet
= 119 inches (9-11 code)
or
= 3.3 yards (33)
or
= 3.022 meters (322)

Did this event also record, as a 'Mathematical Signature' of the Month and Day of Jesus' Birth of September 11, -3 BC (9-11) and the age He would die on April 14, 32 AD? And having also a 322 degree heading from the Dome of the Tablets on the Temple Mount that many believe is the place where the Ark of the Covenant rested in the Holy of Holies?

What is astonishing is that if the distance that is implied is extrapolated and elevated to a possibly Prophetic Significance, it speaks volumes of recurring Sacred Biblical Numbers and echoes the approximate dimension of the Ark of Noah.

Ark of Covenant

+ phi ratio factor applied
= ~ 40 feet or approximately 13.33 yards
= 480 inches

'Tabernacle' of Noah

Blood Atonement

The Royal Bloodline
44 Kings of Israel and Judah
~44 feet from cross?
