

Village of Millerton

Dutchess County New York

Message from the Mayor

With the holidays quickly approaching I think it's time to stop and appreciate the things that matter the most. For me it is family and friends. Being the mayor of this village has allowed me to meet new people and spark new friendships. I am very lucky to have such a wonderful group of people who work for the village and help make it such a great place to live. Thank you to the organizations that make this village so beautiful with all the time and hard work they put into it. The parades and events that take place here help make it a truly special place. Main Street has never looked so good. Things are really happening here in Millerton and I'm glad to be a part of it. I would like to wish everyone a happy healthy holiday and thank everyone for making this village so great.

Your Mayor Martin Markonic
