

**DO YOU HAVE A STORY TO TELL ABOUT SOMEONE
CONNECTED TO THE CLAYSBURG AREA?
HERE IS YOUR CHANCE.**

Passports of Claysburg, PA

Claysburg PAST will be publishing a book and posting some of your stories on the website about people of the Claysburg Area. If you have a story to tell about a relative or friend, it can be included for a \$10 donation. The half page story plus a photo if you have one available can be a story or a history of a person. The story can be about their life or one story about an event.

It can be a veteran, a family member, a teacher who inspired you, a friend or a neighbor or someone who did a good deed. It must be written in good taste, and we reserve the right to edit or reject if needed. If the person is still living, we ask that you obtain their permission for publishing. However, most will be published in the format submitted. There are lots of people out there who deserve the recognition, and there are great stories to tell.

While the Claysburg Hall of Fame only covers a maximum of 5 people per year, there are many who deserve to have their story told. The first book publication will have a maximum of 400 people listed. Below are a few samples to give you an idea of what we will be using for a format.

Below is the form to submit your entries one at a time. You may submit as many as you like at \$10 each and pay below via Pay Pal using a regular debit or credit card. You do not need a Pay Pal account.

Submittal stories must be in good taste and each entry is a maximum of 1/2 page of 8 1/2" x 11". The main story part equates to approximately 15 sentences or 200 words. The form below does not limit you to the 15 sentences, so you will need to count the amount of sentences. The easy way would be to write your story on Word and know how many words there are and then copy and paste into "Their Story" below. We will do all possible to include your entire submittal as is, but it might require some editing. A photo of the person can be included at no extra charge.
