## All Things New Ministry Director

*Therefore, if anyone is in Christ, he is a new creation; old things have passed away, behold, all things have become new.*  
*2 Corinthians 5:17*

The All Things New Ministry was born out of Debora's transition out of nearly two decades of homosexuality through the love and support of a women's Bible study group and the leadership of a church that was not willing to compromise their convictions while continuing to welcome and embrace her. When she first began attending that church, she had not yet accepted Jesus Christ as her Lord and Savior and was happy living her life as a lesbian. Debora knew 'about' Jesus and what he did for her, and even labeled herself as a Christian, but she had not yet surrendered her whole life to him.

Debora surrendered her life to Jesus Christ on November 23, 2003 and began to read the Bible every day because she wanted to know more about the God who had drawn her back to Him. Through His Word - God revealed the truth about how He wanted her to live, and in December 2005, she turned away from 18 years of living as a lesbian. She experienced inner healing from the wounds that propelled her into lesbianism with the support of a group of loving women at her church who invested in her life and loved her unconditionally.

Debora was ordained as an Associate Pastor, and serves as the Director of the All Things New Ministry at the First Baptist Church of Glenarden, Maryland, where she helps people who experience Same-Sex Attraction (SSA) and sexual brokenness to understand the causes and healing of SSA by searching the Word of God. She also ministers to parents, teachers, pastors, and friends of gays and lesbians to help them understand what causes people to choose homosexuality and how to love them unconditionally. She also instructs teens about sexuality and making wise choices in line with biblical principles.

Debora is the author of *All Things New: a former lesbian's life-long search for love*; *All Things New – a Discipleship Ministry for Healing*; *All Things New – a Discipleship Ministry for Life Transformation*, and *Life Transformation Day by Day, a 31 day devotional*. She is currently working on her Master of Divinity at Denver Seminary's Washington D.C. extension site and concurrently serves as the Director of the Extension site for Denver Seminary Washington D.C.

Debora has a passion for teaching, preaching, speaking, and writing about personal intimacy with Jesus, helping to direct people to the unconditional love and healing power of Christ. She Loves the Lord with all her heart and desires to help people completely transform their lives through their personal relationship with Jesus!
