

Michael Harris is a cancer warrior who is once again facing the battle. He has been diagnosed with stage IV colon cancer and is being treated at University of Maryland Medical Center, Baltimore. The last time Michael fought, it left him with permanent damage, yet his love and spirit for life continued.

Unfortunately, as Michael was just getting back on his feet from his prior bout, he was again diagnosed with cancer. He lost his job and insurance (after just purchasing a home) which is putting quite a strain on him. This is compounded by his previous financial struggle from the earlier diagnosis.

You may know Michael as the drummer for the band, Double Take; or you may know him from Calvert Hall College; or even as a previous volunteer of St. Isaac Jogues Church. He is surrounded by many people who care about him, and he could use your help. Michael would do anything possible for anyone in need, but at this time, he is not able to help himself.

Michael's family and children are behind him as he embarks on this challenge, but he could also use the community's help. Please reach into your hearts and, along with prayer, help him during this difficult time. Let's give him hope for his future as a dad, a brother, and an all-around great guy.

Please consider making a donation. This is an ongoing campaign. To make a donation to Michael Harris, please go to [www.kellysdream.org](http://www.kellysdream.org). Scroll down the home page, and you will see it on the left. ALL DONATIONS ARE TAX DEDUCTIBLE.

There will also be a fundraiser on Sunday, October 14th at Big Falls Inn, White Marsh, MD. Stay tune for details.

Kelly's Dream is a 501(c)3 non-profit foundation that focuses on easing the financial and emotional strain of cancer, raising melanoma awareness, and spreading the gift of hope.
