WEBSITE HIGHLIGHT Free CarFax Reports

Did you know that our auto-shopping website has free CarFax reports available for most pre-owned vehicles? Carfax reports are important for any pre-owned vehicle. They provide crucial details on the vehicle's history, such as an odometer reading, existence of a branded title such as a salvage/junk title, or past registration as the fleet vehicle. As long as the dealer has purchased a report on the specific vehicle, it is available to you at no charge from the vehicle's detail page. Log on and browse today!
