

# Poco Loco

RESTAURANT

## **An update for our customers on Coronavirus (COVID-19)**

**As a valued customer of the Poco Loco family we appreciate your loyalty. On behalf of our team, I'm writing with an update on what we're doing to prioritise your health and safety when you dine/takeaway or have delivery from Poco Loco Restaurant.**

**With the increased uncertainty that coronavirus (COVID-19) is causing around the world, our highest priority is the health and well-being of our employees and customers. With this in mind, we wanted to let you know that we already adhere to comprehensive cleanliness procedures. We have also implemented additional COVID-19 cleanliness-specific procedures, which also includes training and information to our staff in conjunction with our existing high standards.**

**Like other businesses tackling this issue, we're being guided by the Ministry of Health, and we hope everyone continues to support all types of local businesses.**
