DESCRIPTION: Great looking and performing re-curve. Bear Futurewood riser. This futurewood bow is weightier than most Bear bows. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in very good condition. There was a small chip in one of the tips. This was filled with green epoxy (see pic on last page) No drilled holes; No chips, dings or cracks. No crazing. A few superficial stress lines in the fad-outs of the back limbs (see pics). A few minor scratches and nicks here and there. Decal is in excellent condition. Overall, this is a really nice bow in excellent condition for its age.
