Simply Modelling Global Warming – Second Edition
Amendment File

Listed below are changes to the text and / or associated spreadsheet. This saves the need to buy a revised copy for minor corrections. Revised Spreadsheets replace the original for download on the Earth2hot web link.

Change	Date	Amendment
Spreadsheet Updated to version 7.14	6 March 2022	Auto Chart Tab - Analysis of Simulation – Atmos. Feedback display Corrected to final version from 'Uncorrected Test Version'
