

## Friday

**Marvel/DC Comics Club:** Mr. Palmgren  
Read, watch and discuss a variety of Marvel and DC creations! Earn FREE COMICS!  
**Where: Room 156**

**Hackey Sack:** Mr. Mantes  
Hackey Sack is a small, round footbag filled with dry grain (most notably rice) or sand, which is kicked into the air as part of a competitive game or as a display of dexterity. This club will meet Fridays after school in room 279, Mr. Mantes room. Interested members must pay an additional \$10 to purchase the footbag.  
**Where: Room 279**

**School Store Crafters:** Ms. Hansen  
Do you like to craft? Would you like to see your products offered at the school store? If you said yes to both questions, this is the club for you! Come share your ideas and make them a reality. Friendship bracelets, slime, origami bookmarks...the possibilities are endless.  
**Where: Room 17**

**Environmental Science:** Mr. Terenzi  
With a focus on climate change and the Maplewood community, we will work on developing a science website where we will videotape our labs and demonstrations and create a website for students to use for tutorials!  
**Where: Room S-01**

**Challenge 24:** Mr. Kessler  
How many ways can you add, subtract, multiply, or divide to 24? In the Challenge 24Club, kids have tons of fun competing to show off their number skills. Members will go on a field trip to compete against other schools in a Challenge 24 tournament.  
**Where: Room 19**

## How to sign up for a club:

## Monday

### Adventurers: Mr. Palmgren

Role Play as a famous adventurer seeking clues and mystical items while battling evil villains to save the world! Gain and use knowledge of mythology, history, and geography to outwit opponents, solve ancient puzzles, avoid dangerous traps and acquire fantastic powers! The fate of the universe is in your hands!

**Where: Room 156**

### Who Runs the World? GIRLS!: Ms. Sebastian

This club is based on a gentle running program that will get us up and about! We will start with stretching walking and then alternating between walking and running small distances, and slowly building to a few kilometers! This is a great way to make new friends and get some fresh air.

**Where: Room 287**

### MMS Historians: Mr. Kaplan

Do you have a love for history? Do you think old stuff is cool? Have you ever wondered about the origins of things around you? Join the MMS Historians Club, where we'll inspect intriguing artifacts, explore historical architecture, and learn more about how our surroundings came to be!

**Where: Room 17**

### Innovative Sports: Ms. Candela

Do you like team challenges? Come to learn and play a variety of yard games, innovative games, and team challenge activities! This club is good for students of all skill levels and will focus on fun activities not included in our regular PE program.

**Where: Room 18**

### Messy Science: Ms. Kleinwaks

Come join other scientists exploring the messy world of science. We will run experiments in chemistry, physics, biology and earth science learning more about the world around us and "how stuff works."

**Where: Room S-21**

## Wednesday

### MMS Fitness: Mr. Mantes

With constantly varied, high intensity functional movements, MMS Fitness will coach students of all shapes and sizes to improve their physical well-being to prepare them for 5Ks and OCRs (Obstacle Course Races).

**Where: Room 279**

### Spectrum Club: Ms. Vorona

Students can meet to discuss issues relevant to and in support of students and their families who self-identify as straight, gay, lesbian, bisexual, transgender, or are questioning these issues.

**Where: Room 287**

### Chess Club: Ms. Laing

Come learn about strategy and practice your skills. Students of all levels are welcome, from novice to expert! Challenge Ms. Laing or strike up a game with each other. Grandmasters welcome! **Where: Room 281**

### Current Events: Mr. Terenzi

Come discuss the week's headlines! As a former journalist, I look to find the journalistic angles of news coverage. We will use the NY Times and other online news outlets to guide discussions. An educated electorate is the key to the future and that's what our aim will be!

**Where: Room S-01**

### Gardening Club: Ms. Silva

Do you have a green thumb? Do you want to learn how to plant and produce nutritious food? Watch your skills blossom! In this class you will learn how to tend to our MMS Garden. We will cover skills regarding proper tool use and plant-ing techniques.

**Where: Room 278**

## Thursday

### Stay Late and Create: Ms. Reisman

If you love art and being creative, trying new materials, and meeting new people, then Stay Late and Create is the perfect fit!
