

Capability Statement

Next Steps Consulting & Project Management, LLC

Company Overview

Mr. Gerald Jackson established Next Steps Consulting & Project Management, LLC in 2017 to provide the comprehensive capabilities necessary to help you solve the most complex issues of your organization. With years of Project Management experience, Consulting that thinks ahead, and Leadership training for all levels of your organization, we are your one stop consulting solution center. Our services are offered to any company, non-profit, or government agency. We mobilize the right people, skills, and technologies to handle your needs while keeping your core competencies in the foreground.
