

Please Come to Washington on June 14

Grey Eagles,

APA needs your help as we continue the fight against flags of convenience. We need as many pilots as possible, retired or active, to be in Washington, D.C., on Flag Day (June 14) for a rally in support of H.R. 2150, the "Flags of Convenience Don't Fly Here Act." Left unchecked, flags of convenience could destroy the industry you helped build, much like what happened to U.S. maritime shipping.

The rally will take place, rain or shine, on the southeast corner of the United States Capitol grounds. Ground transportation will be provided from rendezvous points outside the city, and lunch will be provided to all participants.

For more details and to register as a participant (required), [click here](#) and use the password "APA."

For more information, please contact spc2@alliedpilots.org.

We hope to see you in our nation's capitol on June 14.
