

# *Our Lady Queen of Heaven Church*

## **INCLEMENT WEATHER AND DANGEROUS ROAD CONDITIONS**

Parishioners should **NOT** put themselves or their family at risk to attend Mass. When travel is not safe, all are excused from the obligation to attend Mass. Our Lady Queen of Heaven Church will observe the morning snow closures and inclement weather directions of the Bethel School District. This would include the Parish Office and St. Vincent de Paul Office.

- ◆ When schools are opening late, the parish offices will open late.
- ◆ If schools are closed, the parish offices will be closed.  
In that case, daily Mass or Prayer Service as well as all evening activities and classes will be canceled.
- ◆ Weekend Faith Formation classes and events will be canceled because of inclement weather or dangerous road conditions.

**Mass on weekends will not be cancelled due to bad weather.**
