

EAST COAST PEPSI CONNECTION

July 20th - 21st, 2018

Where can you go after celebrating in New Bern, NC? You might think there can't be anyplace as exciting as that - but you would be wrong! Our 2nd 10 years will begin in the Fireworks Capitol of the United States! I know what you are wondering:

1: where on the East Coast can that be? 2: What has that got to do with Pepsi? Good questions. I'm here to answer both.

1. Have you Google searched this answer yet?? It is in New Castle, PA. Close to the Ohio border, & definitely East Coast.

2. More importantly to us Pepsi lovers - it is the hometown of one of our favorite Pepsi memorabilia guardians - yup, you guessed it -

Tom Gabriell

Visiting member's collections have been popular events. Our 1st was at the Kinzie's. Since then we've been to the Pettibone's, Evens' & Vicki Grime's. Tom's collection has "sparked" our interest for ages, & once you see it you will understand why.
