

The word "Intercession" is defined as: An entreaty in favor of another; and - To intervene between parties with a view to reconcile differences.

In this much requested 7CD set, Dr. Hohman teaches about Jesus as the Great Intercessor, (which is the family business), showing the heart that He had and the stand that He had to make. Then Dr. Hohman reveals what true intercession is, what true intercession is not, and the great benefits for our lives as we choose to follow in that family business and work to build the Kingdom of Heaven.

This is truly a life changing teaching that every Christian should hear.
