Lowers Welding & Fabrication, Inc. Can Handle a Variety of Projects Large and Small

Lowers Welding & Fabrication, Inc. is a name you can trust for high quality American made products and services. Family owned and operated by the Lowers for over 40 years, means superior craftsmanship you can depend on. We have a 60,000 square foot shop with a fully-equipped mobile fleet to meet your welding & fabrication needs great or small. Our welders are L.A. city certified welders and ASME pressure pipe certified. Welders and Master Machinists perform the work under the stringent direction of Dawn "Lowers" Davis, she oversees production to ensure that strict tolerances are met and the final product can bear the Lowers brand name. Lowers Welding can handle a variety of projects, and our welders will travel to job sites utilizing a mobile fleet to handle fabrication services on-site.

Core Competencies

- Welding
- Portable Welding
