

Member **Referral** Program

55 Years. \$55 Dollars.

For 55 years, the Mower County Employees Credit Union has provided a place for Members to save and borrow; but more importantly, to belong.

Share the benefits of membership by referring a family member or co-worker for membership and receive an entry to win our Member Referral Award! Both YOU and the member referred is entered!

The more members you refer, the more chances you have to be rewarded!

Each quarter we will randomly draw two names – Both winning \$55 EACH!

Referrals must meet eligibility requirements as outlined in the credit union's by-laws and must establish membership via a \$5 deposit to a Share Account. Existing member must be in good standing to participate in the referral promotion. All new accounts are subject to approval. "Member Referral Award" is considered interest and will be reported on IRS 1099-INT. There is no limit to the number of referrals. Offer effective January 1st, 2016 and may end at any time. Two members will be randomly selected each quarter and awarded \$55 disbursed into their primary share savings account. One member will be selected from those who made the referral. The second member will be selected from those joined as a new member via a referral. For more details, please ask a representative.
