

March 2021

Dear Friends,

God has opened the door for us to continue our police lunch outreaches again. We have already ministered to the Colorado Springs Police Department and the Westminster Police Department as well as Adam's County Sheriff's Office the first part of March.

It is exciting to see God touching the hearts of officers and drawing them to Himself. Many officers have thanked us for our ministry to them. We will have two more outreaches this month in Denver and Pueblo. The police officers that we are discipling are growing in their faith.

I had lunch with a former police chief and a current chief of two of the cities in our area this month. As I ministered to them, I could see how God is working in their lives. All the officers I speak to are struggling with laws that have been changing in the past year and are making it more difficult for them to do their jobs. These officers need encouragement as our country is going through very difficult times and there is a greater increase in wickedness.

Please continue to pray that God will draw the unsaved officers to Himself that we minister to and that they will be saved. As we look to expand our ministry, ask the Lord to lead us to the law enforcement agencies that He wants us to work with.

We are continuing to pray for our country as we have witnessed a great deal of corruption and wickedness. Pray with us that righteousness will prevail and justice be done. Our country is becoming a place where there is a great need for the gospel to be proclaimed and people be helped spiritually.

The suicide rate is rising in the USA and many people are living with hopelessness and despair. Marlene and I witness to people everywhere we go, and we do street evangelism every week. I love that verse where Jesus says, "Whoever drinks the water I give them will never thirst. Indeed, the water I give them will become in them a spring of water welling up to eternal life." John 4:14 We have great news to take to people about Jesus and His love.

Thank you for partnering with us as we minister to law enforcement and others in our country. Your gifts and prayers enable us to continue the ministry God has called us to do. God bless you in every way.

Sincerely,

Randy Green
