

Memorial Garden

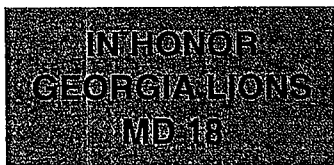

The Memorial Garden is being built to support the Georgia Lions Camp for the Blind while honoring or remembering a lion or someone special.

The fountain is already in place which will be the centerpiece of the garden. On each side of the fountain will be perennial flowers and herbs. An irrigation system has been installed and the garden will be landscaped with drought resistant plants.

A single brick will be custom engraved with your message and then embedded in the garden. The maximum inscription area is 3 lines with 13 characters per line. Engraved bricks (\$100.00 each) will be placed in the garden as a permanent memorial to those who believe in the mission of the Camp for the Blind.
