

Snack Shack/Canteen

Available June 15 - Labor Day

We are happy to schedule time during your stay when campers and guests can purchase candy, snacks, snow cones and CAW Gear from our Canteen. Enjoy your treats while lounging under an umbrella on the patio!

Other Activities on Mt Hood

Off-site recreation and activity opportunities abound in the Mt. Hood area. We can provide your group with a sack lunch so you can head to the mountain for the day (or evening) in both winter and summer months. If you enjoy golf, The Mt Hood Resort has a world-class golf course less than five minutes away from our front door. Our small Welches community also has a library, bookstore, unique gift shops, and cafés.
