2020 MEMBERSHIP FORM

The Good Horseman® Foundation is a non-profit, tax-exempt, 501 (c) (3) organization of experienced members of the dressage community, including equine professionals, dressage instructors, trainers, competitors, judges, “L” Graduates and members of dressage competition management. The Foundation is a Group Member Organization (GMO) of The United States Dressage Federation and participates in USDF programs such as the Instructor Certification and the “L” Judges Education Programs. Your membership makes you a GROUP MEMBER of USDF. All members are eligible to compete for USDF rider awards, adult camps and will receive a subscription to the USDF national newsletter. Those wishing to qualify for the USDF Regional Championships must apply directly to USDF to become a PARTICIPATING MEMBER to be eligible.

The amount of your GHF annual dues is \$30 single membership (\$20 goes to USDF per person and \$10 remains in the Foundation as your dues); \$45 family membership for two listed persons (include \$10 per each additional family member).

The objective of the Foundation is for the preservation and protection of the sport and art of dressage and to encourage its development to the highest levels. The Foundation’s work will be limited to the organization of dressage competitions and the creation of educational opportunities such as seminars, clinics, scholarships and forums. An annual meeting is held every January, but no monthly meetings since most of our work is done by phone and e-mail.

Membership dues and renewals will be due Nov. 1st for the next year. Those joining for the first time after Sept. 1 will members for the next year.

There will be no newsletter as such but you will be on a GHF e-mail list and will receive prize lists for our upcoming shows by e-mail. Information about upcoming activities can be found on our website .

Riders competing in GHF Schooling Shows will be automatically enrolled as GHF members for that year if they complete this membership form and attach it to their entry form.
