

Merlin Meditation and Channeling Session - A Sacred Journey

Looking for deeper spiritual connection and personal growth?

Merlin sessions with Kay Dragon offer something truly special:

✨ **What We Experience Together:** We begin each session with a channeled group meditation that opens our hearts to Divine guidance. Then comes the beautiful part - everyone receives a personalized channeled message from the Divine and sometimes Ascended Masters, designed specifically for your soul's growth and healing.

💖 **Personal & Planetary Healing:** These aren't just messages for you - they're for your highest good and exactly what your soul needs to hear right now. Have a question? Bring it! The Divine always has answers.

🌍 **Collective Impact:** As we heal ourselves, we're also sending powerful healing energy to our planet's Collective Consciousness. We're part of something much bigger than ourselves.

✨ **Natural Benefits:** Through these sessions, you'll naturally develop stronger intuitive skills, deeper inner awareness, emotional clarity, transformation and that beautiful lightness of being we all seek.

We meet the second Saturday of every month at 12 noon
