# OVERNIGHTLINE

AGI 38195

*We do everything...Fast!*

What started as a small business in married student housing at the University of Iowa has now become a national brand. Overnightline® came from one very simple idea: get it to the customer FASTER.

We have added several new products to our line because you have asked time and again if we can do more, and the answer is most definitely "YES!" Our most prized product in our whole collection is our service and friendly attitude. We don't care if you are a doctor or a tire salesman, if you are not friendly, your product is worthless.

So in 2018 we promise to fulfill our goal of delivering the fastest products in the industry with simple ordering, friendly service, and Free Screens and Set-up.

Thanks for your support for over 34 years.  
We look forward to serving you in 2018!

# Balloon Accessories

## Latex Balloon Sealing Methods

Hand tying is the least expensive sealing method and increases the float time. These sealing methods make balloon sealing easier and faster. All of our sealing devices are choke safe for children (except Quickie Klips). All sealing products will diminish float time.

# Artwork & Ordering Information

## Ordering

How to order: Please fax, email, or mail your purchase order. Indicate ship to address, event date, balloon colors, quantity, and ink colors. Email artwork as outlined in Artwork Specifications. Reference your purchase order number in the subject of your email.

Art Specifications: Our art department uses Windows platform and Adobe Illustrator. Send your camera ready (vector/line) art in any of the following formats: .ai, .eps, .pdf, .tiff, or .jpg (at least 600 dpi).

## Artwork

**Straightline Typeset/Complex Typeset:** We can typeset simple text in a layout that will utilize the imprint area most effectively for no charge. If you need a specific layout or make multiple changes to simple typesetting, an Art Charge of \$20 (z) will incur. We can add simple/general clipart images for no charge, but corporate logo usage will incur a \$20.00 (z) charge per image.

**Two color imprint:** Color separated black and white art must accompany a color composite for two color imprint. Registration should be 1/4" for the best results. During the imprinting process the colors will shift up to a 1/4" in any direction.

**Ink Colors:** We carry all of the ink colors below for latex balloons. Please check with factory on limited color selection for foil balloons. Choose ink colors that contrast well with balloon colors (white and light colors on dark balloons; black and dark colors on light balloons). Ink color chart may not be accurate because all inks and balloons react differently to each other. For critical color matching please request samples. Gold and Silver ink on FOIL BALLOONS add \$50.00 (p). Please check with factory about PMS matches on orders of 10,000 pieces and larger.

## Stock Latex Balloon Ink colors

 Pink *190	 Hot Pink *232	 Red *185	 Burgundy *138

\*PMS Number- Since balloons are a flexible material, numbers shown are not exact.

## Production Time/Shipping

**Cut-off/Deadlines:** All proofs must be approved by 12 noon CST the day of shipment for balloon products. Please check with factory for production time on our other products.

## Rush Service

We take extraordinary measures to ship all orders as fast as productively possible. Our normal production time is 2-5 business days AFTER proof approval. Same Day and Next Day Service is available with a rush charge from \$50(p) to \$250(p) depending on product, necessary production time, and availability. Overnightline® reserves the right to prioritize all orders according to our operation and the customer's In-Hands date. The customer is responsible for all applicable shipping charges and Rush Charges that are necessary to ensure delivery by a specific In-Hands date. Please call factory for more details. The Customer is responsible for any shipping charges which may apply to their respective orders and for the cost of any products that may arrive late due to courier delays of any kind, natural or supernatural. All of our orders are custom and therefore non-returnable and non-refundable. Overnightline® is responsible for meeting ship dates.

**ALL NEW AND REPEAT ORDERS REQUIRE A PROOF BEFORE PRODUCTION.**

Customer is responsible for ANY errors on proofs. Please examine closely!

**Shipping:** Add \$5.00 (z) handling fee per package for all shipments via UPS or FedEx. Add \$10.00 (z) handling fee for US Post Office per parcel.

**WE ARE NOT ABLE TO SHIP ON ANY THIRD PARTY SHIPPING ACCOUNTS.**

**Drop Shipments:** Add \$7.50 (z) per location for multiple drop shipments. **FOB:** West Branch, Iowa.

## Allergy Information/ Choking Hazards

 **CHOKING HAZARD** - Children under 8 yrs can choke or suffocate on un-inflated or broken balloons. Adult supervision required. Keep un-inflated balloons away from children. Discard broken balloons immediately. See page 12 for our Premium Balloon Seal to make balloons safer for children.

 **LATEX ALLERGY** - Latex products contain natural rubber latex which may cause allergic reactions in some individuals.

"This was my first experience with Overnightman BUT it won't be my last. This was the first time I had ever ordered from you and they had a critical due date. Overnightman was on top of it, from the artwork, to the order entry process and even the payment process. AND the best part of it all, when I called, I got a real live person!!!!!! I was thrilled. Thanks to all of you. You will be hearing from me again."

10 (R)

"Simply IRRESISTABLE!" Your customers can't put down their Guilt-Free Stress Balloons. Made from all natural products- the outside is double-walled with natural latex and the inside is made from 100% corn by-product. All 100% biodegradable unlike "foam" stress balls. Each Guilt-Free stress balloon is individually packaged. Contains 2-3 oz of ground corn filler.
