

Events Before the Rapture & Thumb Drive for Left Behind

March 5, 2016

The blessing of Almighty God the Father, the Son and the Holy Spirit be with us all, dear Heartdwellers. This is a very important message tonight. It's bringing together many loose ends, things that have been floating around in my mind, unresolved questions I guess you could say. The Lord brought all these things together tonight and gave me some clarity. So, I'm going to share that with you.

My mind has been mulling over the details of dreams and messages from the last weeks and I've needed to get clarification from You, Lord.

He began, *"Yes I've been listening to the musings of your heart all day long, all through the night, and not missing a thing, Clare. All the conjectures, etc. How many of them came from Me, do you suppose?"*

Well, a lot I guess...

"Maybe even all of them?"

Well that's what I wanted to clarify. I don't want to ask for the portions of others, but I would like to see the entire fabric coming together, Lord.

He continued, *"So many sad stories, so many tragedies. It's almost too much even for your God to handle, let alone spread around to His Bride. Sweet, Clare. I don't want to talk about the details of these events... yet, and I know you want to represent Me in clarity and put to flight things that are NOT of Me and just concocted to scare people. I wish I could say their reports are way over-exaggerated, but I'm afraid I can't. In fact, they are way worse. But let Me try and prepare you for what is coming.*

"You see, these souls on this channel, many of them, are gifted with a completely laid-down life, completely given to Me, no matter what the cost. I wanted them here, because I knew some would pay a very high price to support the gathering of souls into My bosom. You have many here who are very mature and wish only to live or die for Me, according to My will.

"They have lived in this world long enough to know how very worthless it is and they are ready to graduate. But in their hearts, they want to take others with them and these opportunities to die with the masses of sinners and unsaved, is their way of thanking Me for My sacrifice on the Cross.

"Oh, this is not understood very well on Earth, but before they were born there was indeed an agreement that someday they would give their lives for Me. This was their free will offering, Clare. I did not force this upon anyone. But I did inform them and they did consent. You see, My Bride will be united with Me in life and in death. This was not an easy decision to make, but from their perspective in Heaven it was the most wonderful thing they could do for Me.

"No one likes pain or suffering, but even these things seemed insignificant to them at the time. Yet, I will spare them much and as you have surmised, repentance en mass will break out immediately after these events. I had inferred that to you when I told you about one of your daughters. Now that does not negate what I said about the Great Revival, the one that will follow the Rapture.

"This will be My last call to repentance before the Rapture."

Lord, please help me.

And at this point, let's just say I was listening to all these things and trying to sort them out. I didn't want to assign any answers to what He was saying, I didn't want my mind to jump in and fill in the blank. I was being really cautious and went and received communion and sat with the Lord for a moment. The MOMENT I received communion I heard:

"Days."

"There will be days between the first event and the Rapture. Those who have been standing back and with-standing Me and My Lordship in their obstinate pride, will be given a chance. Some will respond. Others become even more hardened, if you can believe that. My spirit will be poured out profusely on mankind to convict them of their sins. There will no longer be any who don't know right from wrong, who don't know their left from their right hand, so to speak.

"I am doing this as a great act of mercy, and those who perish in these events are co-laborers in the field, giving their very lives that their brothers and sisters may follow them into eternity. That is another reason the dead in Christ will be Raptured first; they gave their all and they certainly deserve to be the very first to be resurrected."

I was receiving all of this message with great caution, lest a familiar spirit deceive me, especially when it comes to talking about time frames. That can be a real pit to get into, and our minds can deceive us. The enemy can deceive us, too - so I was being ever so careful.

But I was beginning to really connect with the Lord and have peace that it was indeed Him. Besides, why would He mislead me? What has He to gain from that? This channel is all about the Love of God, His love for us, our love for Him shown to our brothers. If He truly wants that message to stand, I don't see how He could allow me to lead anyone astray. Nevertheless, Jesus, I trust in You. I believe You are faithful to give to us a fish and not a snake when we come to You this hungry for answers.

You see Heartdwellers - I struggle, too, with discernment. I know I am not worthy, but His Mercy is by far greater than my unworthiness and for 35 years He has been faithful in His promises to Ezekiel and I. I never conceived of a ministry this size, I never sought it. All I sought was to do His will day after day, feeding the poor, recording music to share, and backing up Ezekiel sometimes when we would play at prayer groups. And with all my heart, from day one all I ever wanted was to tell everyone about the inconceivable love Jesus has for us. And that He is the Truth and the only Way.

Yet, He had promised that He would reach the world through me, that all my suffering and hard lessons would benefit others. I would be able to tell them about His love and that I just needed not to grow weary in well doing and in the end, my obedience would bear fruit.

So, you see? He has a track record with me. I believe Him. I trust Him. And all of His words to me have come to pass. He has proven Himself faithful in all His ways. The Lord was hiding me in His quiver for this time and He was testing me to see if I would be happy to be a little nobody, nowhere, doing nothing but loving Him. And that was His preparation to bring me into this ministry. He really, really humbled me and continues to do that. He brought me to the point where I said, "All that matters is You, Jesus. All that matters is what You want."

So, I believe His words to me, because He has proven Himself.

At this point, Jesus continued, *"Oh, I see the light dawning in your eyes, dear Clare...you are receiving My words to you in faith."*

At that moment I was thinking back on something I'd noticed on someone's channel, just a remark that someone made about me.

The Lord said, *"I am sorry for the cruelty of those who hate you without reason, My love. My heart aches with yours and indeed it is a good offering for their sanctification. Rather than allowing that to poison your heart...always react in charity, 'Father forgive them, they know not what they do.'"*

I had come into prayer with an aching heart after having stumbled upon those who have lied about my relationship with Jesus and His teachings. Oh, my brothers and sisters, count the cost when you receive the graces of God; persecution, lies, calumny...they come with the territory. And you will find that the greatest pain you will ever feel is to see the Lord's graces mocked and turned away, when He in His consummate kindness has showered souls with graces and invitations to come closer. And they turn away. There's nothing, nothing I've ever experienced that's more bitter than that.

Jesus continued here, *"But I have to tell you that I have brought to you quite an assortment of seasoned warriors for truth and 'laid down lovers' (that's a Heidi Baker term) because I want the many who visit here to mature quickly through their example. They have found a home here and no amount of lying or calumny is going to pry them away and out of My Heart, or this channel - because My Sheep know My voice and jealousy will not rule over them. They have matured in understanding and are at peace with their positions in the Body. They are the ones covering you with prayers and drawing all men unto Me. Yes, they have quite an influence on this channel with their prayers and examples."*

"And all you can do is pray for those pitiable souls that find fault with what I am teaching. Pray, pray, pray. They are indeed a sorry lot, many blinded by jealousy and others by fear. If only they knew. I called them here so they could grow and come forth out of their insecurities, out of their fears and into My arms, where I administer healing and profound peace and acceptance of how beautiful they truly are to Me. But now they will have to wait for another time, another opportunity, to embrace Me without fear."

Oh, Jesus, I wish I could have gotten to know each and every one of those who visit our channel, and in some way encourage them. Sometimes I am very sad indeed that I can't stay on comments for hours. I really, really enjoy the people who come here.

"I wish you could do it all, but you are limited by your illness, and time. And in fact, even that I am using - so don't worry, Clare. I love these with all My Heart and will bring them into the banqueting table of My arms, even though they do not understand it now."

"In any case, I wanted you to know that many of the souls who will perish in these tragedies are in fact very special believers. Very, very special and their reward in Heaven will be a portion of the harvest that will follow upon these events. In that moment, I will embrace them with ecstatic joy and warm arms and forever they will be with Me. They have nothing to fear and everything to rejoice over as their time draws near."

I'll tell you, guys - some of you are really brave! I don't know if I could face what you guys are facing. I think the Lord would have to keep it a secret from me. Some of you have stated that you don't care if you're taken out in a tsunami or whatever. You just want to be with the Lord in Heaven, and any way it happens is fine with you. I mean, THAT is courage. And that is love. And that's just awesome.

The Lord continued here, and He said, *"But I did want to clarify that there will be an opportunity to repent between the first events and the Rapture. This will greatly increase the Harvest of souls. But it will be days, not a full-fledged revival. That will surely occur after the Rapture. Souls in the thousands will come to Me and the chasm between good and evil will be defined sharply. This is when the great persecution will start."*

But Lord, you said "as in the days of Noah, people will be marrying and given in marriage and it will come upon them suddenly"...as if to say without warning?

He continued, *"No, in Noah's day they had plenty of warning. But they ignored the signs and laughed them to scorn, just as they do today. That pride must be broken, and these events will give them the chance Noah's generation did not have. Am I not the God of Mercy? What will come upon them suddenly is the tragedy and many will not be saved, will not have the opportunity to repent, although none of you thoroughly understands to what extent I have knocked on the doors of their hearts during their lifetimes."*

He looked into my eyes most seriously, *"Clare, I want none to perish. None. Not even one. Some will be given this last chance. Why do you think I've had you all praying for Mercy, the Divine Mercy Chaplet? Do you suppose your prayers bounce off the walls? No, your prayers have bought more time, more grace, and more mercy."*

"Again, it is the events that will come upon the whole Earth suddenly, but those who survive will then have the opportunity to wake up and repent."

So, these things will not just affect America?

"No, My Love, they will be felt by the whole world. We are approaching that day as we speak - time is indeed running out. But I will have mercy on whom I will have mercy and My heart is

breaking for My lost children. It demands that I give one more chance for repentance. You have put the pieces of the puzzle together well, My Love. Now it is time to tell My people: days are left to you, get your house in order."

How will we know it is time, Lord?

"Remember? You will reach a point of peace, deep peace. In that place you will know. It will be a supernatural peace that all will feel."

Lord, will I get the thumb drive out?

"You will."

And the thumb drive, by the way guys, is going to be a collection of all of the really important teachings for the left behind, as well as music and the album Tethered. And as well as things for faith, like the things about Ron Wyatt and his discoveries with the Ark of the Covenant and Exodus - all the evidence that he garnered from laboratories. And a few teachings from other people that will really help.

It will be divided up into an index, into categories so that you can go to each category and look for the teaching that you need at that time - or they will be able to. They'll be able to find things, because they'll be labeled according to the subject matter.

So, I've been working on that, and it's been really hard 'cause it's huge. It's gonna be about, oh gosh, about 15 gigabytes. By the way, the contents of the thumb drive should be done by next week. We'll let you know where it's going to be on our website, and you can download it. But in order to circulate it to the world at large, we are going to be offering it on Amazon and they have set rules about pricing for distribution. It's already paid for, so - I think they cost \$10 apiece to make, but we'll be giving them away basically for maybe \$4 or \$5, depending on what Amazon requires for the distribution. But you can always download the contents yourself, off of our website.

The same for the albums. We wanted to mark the albums and the books down really low - but they have certain rules. And if we want the distribution to go world-wide, we're stuck with it. So, please forgive that. But you know that on our website, everything is a free download.

That's going to be a wonderful, wonderful extensive resource that people will be able to put on their phones or their iPads. And we chose a thumb drive because it will hold a tremendous amount of information with the least amount of energy used to pull the information up. And it can be hidden - worn around the neck or tucked away somewhere, and no-body really knows what it is until they open it.

Well, one of the things that we feel is important, that we're leaving behind for some people that we know - for the children that won't be taken, is a hand crank - an energy crank. Like you get sometimes with these crank radios and so on. They put out enough energy to power something like a cell phone or an iPad long enough for someone to be able to extract the information from it. So, that's the reason why we're doing the thumb drive. It's something they can take with

them anywhere they go and always have that information, as long as they have just a little bit of electricity to charge their cell phone.

We're anticipating a nuclear winter, that's one reason why we will have a little solar power available to people. But for the most part, we're relying on crank devices to generate power to run something simple like a cell phone. That's a resource that we've almost got ready, and I really, really want to finish that.

So, I asked the Lord, "Will I get the thumb drive out?" Because not only do we have to finish it, but it needs to be formatted and distributed.

So, He answered me, *"You will. And it will be in distribution when this happens. Remember all My promises to you are true, Clare. What I have promised, I will do. I gave you My Word, I will accomplish it."*

Oh, thank you, Lord.

And by the way, guys - that's got to be at least 3 weeks. It's got to be. There's no way it's going to be done sooner than that.

So the Lord continued here, "Now take your heart to prayer and work diligently at the same time. Finish this race.

"And to all of you, My people, I say: finish the race. Look neither to the left or the right, do not wander. Do not waste time. Be about My business when I come for you. Be praying or working, loving and serving in the capacity I have endowed you with. Make the most of your gifts in these last days. Gather as many souls as you can into My arms. Cast your net out into the deep for a catch and be prepared to labor hard to gather it in, in that hour. There will be one last opportunity. Please - be prepared for this."
