CHANGING PLACES

Place factors
- Endogenous (relief, climate, soils etc.)
- Exogenous (migration, technology, economic change etc.)

Perspectives
- Outsider?
- Insider?

Factors affecting depth of relationships and connections to places

Scale
- Local(ism)
- Regional
- National
- Globalisation

Time and experience
- How long have people lived there? Experienced the place? At what point in their life? How intense an experience? With whom?

Type of place
- Near or far?
- Media or experienced?
