Cat Craft

Supplies needed:

Toilet paper roll

Paper

Glue

Googly eyes

Crayons

Instructions:

Cut the paper to the size of the toilet paper roll.

Color the paper any color you would like your cat to be

Wrap the paper around the toilet paper and glue it in the back

Glue googly eyes to the front, around half-way down. If you don't have googly eyes, draw two eyes.

Draw a nose and whiskers under the eyes.

Cut a thin strip of paper and glue to the back for the tail.

Gently push down the top of the toilet paper roll in the center to create two ears.

Now you have a cat!
