## GOLD KNIGHTS

(MIGHTY MITES)

*Slayer of the Game: Joshua Fatilua*

With a sudden need for a game plan change due to missing personnel, our Mitey Mites made the most of the situation and stood together against a strong Hayward offensive. Our defense was outstanding led by **Joshua Fatilua** with six tackles. **Kobe Medina** recorded another sack and a forced fumble. Our Corners, **Jordan Renteria** and **Riley Cristobal** held their side of the field and recorded an interception each. The offense had some good runs as **Derek Lavarias** and **Titus Tabellija** ran for a couple short yardages.

## SILVER KNIGHTS

(JR PEE WEES)

*Slayer of the Game: Noah Taa & Elijah Viernes*

Plagued by injuries in the second half, our Silver Knight coaches were forced to dig deep into the depth chart. Although the score board may not have reflected a positive outcome, there sure were some unlikely heroes made on Saturday. **Noah Taa** ran the ball impressively, moving the chains at key moments. **Elijah Viernes** stood out on defense, showing a notable open field tackle and playing an remarkable game as corner and safety. Unfortunately, we fell short with a final score of 0-22. The boys are looking forward to coming back healthy, strong and ready for this week's competition.

## WHITE KNIGHTS

(PEE WEE)

*Slayer of the Game: Johnathan Walrath & Taashaun Lyons*

The Pee Wee game was exciting until the last second...literally, the last second! **Taashaun Lyons** broke loose several times running all over the Hayward field and scoring the only Knights touchdown of the game. Forced fumbles and recoveries were plentiful, with a notable recovery by **Andre Brackett** saving a TD. Our defense kept the Lancers in check for most of the game. **Johnathan Walrath** hyped up the crowd as he intercepted a long pass defending the house. The White Knights left it all on the field and fell short at the very last second stomaching their first loss with a final score of 8-12.

## GREEN KNIGHTS

(JR MIDGETS)

*Slayer of the Game: Christian Richardson*

It was a cold night under the Hayward lights and our Green Knights fought together as a team against the older more experienced Hayward Lancers. **Christian Richardson** stood out as a leader on the field and on the sideline as played tough throughout the game. There is much room for improvement and our coaches are confident and looking forward to making the needed corrections and adjustments for the coming weeks. The boys are continuing to work hard and are forming a bond that promises to bring them success.

## BLACK KNIGHTS

(MIDGETS)

*Slayer of the Game: Nico Patague & Isaac Gil*

With the only victory on the day, our Black Knights continued to dominate the running game and shut out the Lancers with their 30-0 win. Touchdowns came by way of **Jesse Tovar**, **Alo Mata'u**, **Dre Tellez** and a QB sneak by **Jenson Quiro**. **Tovar** continued his consistency kicking three 2-point PATs. The defense stood strong keeping Hayward out of the endzone. **Nico Patague** showed up big on Saturday with fumble recoveries and several vital tackles. **Isaac Gil** was a force to be reckoned with on special teams giving the offense good field position on several opening drives.
