BY-LAWS.

WHEREAS it is granted and declared, in and by the Charter for incorporating a Medical Society, in the State of Rhode-Island, That the fellows may enact such By-Laws, Rules and Regulations, relative to the affairs, concerns and property of said Society, and relative to the duties of their several officers, as they may think proper: it is therefore ordained, that the following be the By-Laws, Rules and Regulations of the said Society.

CHAP. I. OF MEETINGS, &c.

SEC. 1. *Annual Meeting.*

There shall be an annual meeting of the Rhode-Island Medical Society, to be holden alternately in the towns of Newport and Providence. When in Newport, it shall be holden on the last Wednesday in August; and when in Providence, it shall be holden on the Tuesday next preceding the Commencement of Brown University, at ten o'clock, A. M. at such place as the President may appoint; fourteen days notice being previously given in two publick papers, one in the town of Newport and one in the town of Providence; at which meeting, ten fellows shall constitute a quorum for transacting business; and every fellow of the Society shall be allowed to vote by his proxy, empowered by a writing under his hand, at this and

any other meeting of the Society, where, if present, he would have a right to vote in person.

SEC. 2. *Order of Business.*

At the opening of the annual meeting, the Recording Secretary shall read the proceedings of the last meeting; shall report the names of those, who, during the year preceding, have been nominated as candidates for admission into the Society; and shall receive the report of any committee or committees.—The Society shall then make such alterations in the by-laws as may be judged expedient—after which, the election, by ballot, of officers for the year ensuing shall take place, in which a majority of votes shall constitute a choice. The Society shall then proceed to the admission, by ballot, of the candidates, as fellows, or honorary members of the Society, and no person shall be admitted a fellow or honorary member, unless he shall obtain a majority of the votes of the fellows present in person or by proxy. A discourse, or dissertation on some medical subject, shall then be delivered by the person appointed for that purpose; after which the Society shall attend to such communications as it shall be thought proper to make, and to any propositions, which may be considered as conducive to the welfare of the Society, or the general interest of medical science.

SEC. 3. *Election of Fellows and Honorary Members.*

Every person elected a fellow of this Society shall be notified thereof by the Corresponding Secretary, and upon declaring his assent, in the manner required by the act of incorporation, and paying three dollars to the Treasurer for the use of the Society, shall re-

ceive from the Recording Secretary, a certificate in the form following (viz.)

STATE OF RHODE-ISLAND.

This may certify, that A. B. of C. in the County of D. was elected a fellow of the Rhode-Island Medical Society on the ——— day of ——— A. D. ———, and is entitled to all the honours and privileges of the Society.

In testimony whereof, I have hereunto set my hand and caused the seal of the Society to be affixed, at ——— this ——— day of ——— A. D. ———.

E. F. *President.*

Attest, G. H. *Recording Secretary.*

SEC. 4. *Assessment.*

Every fellow of the Society shall annually contribute one dollar to the funds of the Society and shall pay the same to the Treasurer thereof, and no fellow shall be allowed the loan of any book or other article belonging to the Society, nor be allowed to vote at any meeting of the Society, until he shall have made such payment.

SEC. 5. *Resignation.*

The Society may, for satisfactory reasons, permit a fellow to resign his fellowship, and he shall thereupon be considered an honorary member, but not otherwise.

SEC. 6. *Expulsion.*

No fellow of the Society shall be expelled therefrom, but by a vote of two-thirds, at least, of the fellows present in person or by proxy, at the annual meeting of the Society.

SEC. 7. *Consultation.*

To promote the laudable designs for which the Society was formed and incorporated, to prevent, as far as may be, all unqualified persons from practising medicine or surgery, and in order to discourage empiricism, it shall be deemed disreputable and shall be unlawful for any fellow of this Society, in the capacity of either physician or surgeon, to advise or consult with any person whatever, who shall hereafter commence the practice of medicine or surgery within this State, until he shall have been examined and approved by the Censors of the Society—and any fellow of the Society, who shall assist any person not so qualified, by affording him advice or by consulting with him in the capacity of physician, or surgeon, shall for such offence, be disqualified from giving his vote, at any meeting of the Society for two years: shall be liable to the censure and reprimand of the Society, and in aggravated cases, to expulsion.

SEC. 8. *Quackery.*

Whenever any fellow of the Society shall *publicly advertise*, for sale, any medicine, the composition of which he keeps a *secret*, or shall offer, *in like manner*, to cure any disease, by any such secret medicine, he shall be liable to expulsion or such other penalty as the Society, at their annual meeting, may think proper to inflict.

CHAP. II. OF OFFICERS.

SEC. 1. *Officers.*

At the annual meeting of the Society there shall be chosen a President, two Vice-Presidents, Recording Secretary, Corresponding Secretary, Treasurer, Librarian and Cabinet-Keeper, and eight Censors, four for the Northern and four for the Southern Districts of the State.

SEC. 2. *President.*

The President shall have power to call a special meeting of the Society, whenever he shall deem it expedient, or whenever five fellows shall request it in writing—shall preside at all meetings of the Society—shall regulate all debates thereat—shall state and put questions—shall call for reports of committees—shall enforce an observance of the by-laws and regulations—shall have custody of and use, on proper occasions, the seal of the Society—shall have a casting vote and shall perform all such duties as may be assigned him.

SEC. 3. *Vice-Presidents.*

SEC. 4. *Recording Secretary.*

The Recording Secretary shall have charge of the charter, by-laws and records of the Society—shall notify all meetings of the Society—shall keep a fair record of the proceedings of the Society—shall receive

and record the proceedings of the Censors, which he shall read at the next annual meeting; and also such communications as have been made to the Society, since their last meeting—shall, after any person is elected a fellow or honorary member of the Society, transmit information thereof, together with a copy of the charter and by-laws of the Society, to the Corresponding Secretary—shall notify the chairman of all committees, furnish the names of the committee, and perform any other services which may be assigned him.

SEC. 5. *Corresponding Secretary.*

The Corresponding Secretary shall have the charge of all letters and communications transmitted to the Society—shall cause papers written in any foreign language to be translated into English—shall prepare and transmit answers to correspondents, in such language and form as the Society shall direct—shall notify, as soon as may be, every person elected a fellow or honorary member of the Society, of his election and the time when it was made, and at the same time transmit him a copy of the charter and by-laws of the Society, and perform such other duties as may be assigned him. If, at any time, either of the Secretaries should be absent, the one attending shall perform the services of both, but shall, as soon as may be, arrange and deliver over the papers of their respective departments. The Secretaries may also, with the consent of the President, furnish attested copies of papers and transactions belonging to their respective departments, for which such fees may be demanded as the Society shall establish.

SEC. 6.

Treasurer.

The Treasurer shall give security for the trust reposed in him, whenever the Society shall judge it requisite, and the funds of the Society will admit a compensation for his services—shall demand and receive all monies due to the Society, together with all bequests and donations—shall demand, and if necessary, sue for and recover all fines due to the Society—shall, under the direction of the Society, sell or lease any estate belonging to the Society, and execute the necessary papers—shall, in general, have the care and management of the fiscal concerns of the Society, and keep an accurate statement of all receipts and expenditures—shall pay no money out of the Treasury, but by an order from the President, and his accounts shall be examined and reported annually to the Society, by a committee appointed for that purpose.

SEC. 7. *Librarian and Cabinet-Keeper.*

The Librarian and Cabinet-Keeper shall have in his charge and custody, the books, instruments and apparatus of the Society—shall keep an accurate register of and arrange them in a proper manner—shall make such disposal of them from time to time, as the Society may direct, and make an annual statement of the business of his department to the Society, and shall carefully record all donations made in his department.

SEC. 8. *Resignation, Removal and Replacement of Officers.*

Every officer of the Society may, for sufficient reasons, resign his office, or may be removed therefrom by order of the Society, for neglect, inattention or mal-conduct; in either of which cases, or on the death

of any officer, the President shall appoint a fellow to the office so vacated, who shall serve until the next annual meeting of the Society.

CHAP. III. OF CENSORS, EXAMINATIONS AND LICENSES.

SEC. 1. *Censors' Meetings.*

There shall be a meeting of the Censors semi-annually, for the examination of candidates for the practice of medicine, surgery and midwifery. The four Censors for the southern district shall meet in the town of Newport, on the first Wednesday in March; and those for the northern district shall meet in the town of Providence, on the Monday preceding the annual meeting; ten days at least previously to these meetings, notice thereof shall be given in two publick papers, one printed in the town of Newport, and one printed in the town of Providence, specifying the place and time of day, at which such meetings are to be holden. Three Censors shall constitute a quorum, and the senior Censor present shall preside and may appoint either of the other Censors present, to officiate as Secretary, whose duty it shall be to keep a faithful record of all the proceedings of the Censors, and from time to time transmit a copy of the same to the Recording Secretary; every Censor, who shall neglect or refuse to attend these meetings for the examination of candidates, without offering an excuse, which shall be satisfactory to those who do attend, shall pay a fine of ten dollars for the use of the Society.

SEC. 2. *Candidates and their Qualification.*

No person educated within this State, shall be admitted to an examination by the Censors of the Society, unless he shall have the following qualifications. 1st. He shall have such an acquaintance with the Greek and Latin languages as is necessary for a medical and surgical education. 2d. He shall have studied three full years under the direction and attended the practice of some one or more of the *fellows or honorary members* of the Society; during which time, he shall have studied the most approved authors in Anatomy, Chemistry, Materia Medica, Botany, Surgery, Midwifery, and the Theory and Practice of Medicine; or at least all those, which the Censors shall from time to time specify, as constituting a proper course of medical or surgical education. No person educated out of this State, shall be admitted to an examination by the Censors of the Society, unless he shall have the qualifications specified in the first of the articles above-mentioned; and instead of those required in the second, shall have studied three full years under the direction and attended the practice of some reputable physician or physicians, surgeon or surgeons, as the case may be. The Censors of the Society, before examining any candidate, shall demand and receive from him, a satisfactory certificate of his being qualified as above-mentioned; and such certificate shall be recorded by the Secretary of the meeting and be afterwards delivered to the Recording Secretary, whose duty it shall be, to put it on file and make a record thereof. Provided, nevertheless, that whereas, by the act of incorporation, the fellows of the Society are au-

thorized to elect as members all the reputable physicians within this State, and whereas time sufficient has not yet elapsed for ascertaining who all those persons are, who are suitable to be thus elected, therefore, that provision of this section of the by-laws, by which the tuition of pupils is confined to the fellows, or honorary members of the Society, shall not come into operation before the first day of May, A. D. 1813.

SEC. 3. *Censors' Duty.*

The Censors of the Society shall examine candidates, qualified as specified in the preceding section. They shall previously agree on the mode of examination, and having approved a candidate, shall certify the same to the Recording Secretary, who on receiving ten dollars, to be paid to the Treasurer for the use of the Society, shall record such certificate, and thereupon furnish the person, so approbated, with a certificate or letter testimonial, printed and completed in the form following—
