December Membership Social – Our monthly Membership Social will be held on Thursday, December 6 at 7:00 p.m. at the Sabine Council on Aging (SCOA) facility, Highway 191 North of Toledo Town. There will be no guest speaker at this meeting so that we may devote more time to fellowship among our members. The entrée will be beef tips and gravy over rice. Please bring a side dish or dessert and join us on December 1st.

Please be aware that memberships can be renewed for 2019 at the meeting, by mail, or online at our web site. Please renew before January 1, if possible.

The TBLA Board of Directors – The Board met on November 12. In addition to routine business matters, updates were given regarding ongoing projects. Our association is currently working with Texas Parks & Wildlife and Louisiana Department of Wildlife & Fisheries on fish habitat projects, and we will present information related to those projects soon.

The 2019 BU Planning Committee and other volunteer opportunities — Anyone interested in serving on one of the 2019 Bass Unlimited Committees should contact myself, Gaynell Goodeaux, or Deb Pennington. I can be reached any time by email at rickyy115@gmail.com or by phone at 318-315-1382. Gaynell's contact information is nedgoodeaux@gmail.com and 318-256-0501 or 337-842-7814. Deb can be reached at 2debpennington@gmail.com and 318-315-2448.

There are also many opportunities for TBLA members to serve on one of the other committees necessary for the successful operation of our association. The committees are as follows: Public Relations/News Releases Committee, Membership Committee, Social Committee, Program Speaker Committee, TBLA Projects/Activities/Grant Opportunities Committee, Audit Committee, and Luncheon Bass Committee. I encourage everyone to offer their time and talent to any committee that you find interest in by contacting me at rickyy115@gmail.com or 318-315-1382.

TBLA Trash Pickup – The quarterly trash pickup will be held on Friday, December 7. This is the time that we do our part to clean up the lake area by removing litter from the section of highway that our association has adopted. Members should meet at the Sabine Council on Aging Facility at 8:00 AM on December 7. Safety vests, plastic bags, instructions, etc. will be distributed at that time. Please try to participate in this event.

Toledo Bend Lunker Bass Program – Tyler Jordan of Leesville, LA caught a 10.88-pound bass on November 17, 2018, bringing the lunker bass total to 16 for the current year. Congratulations, Tyler!

Safety Awareness for the Lake – Water temperatures are much lower now, and boaters must remain diligent while on the water to stay dry and warm. The combination of cold water and cold air can be dangerous if you are not prepared for it. Everyone should have a way to dry and warm themselves on board during the cold months. Be careful while on the water and wear your PFD!

Lake Level- The Lake level is currently 170.56 as of this writing.
