

## *Faculty vs. Faulty*

In a school  
the cadre of teachers  
constitutes the  
faculty.

A faculty,  
however,  
without a *c*  
faulty;  
the *c* is for  
compassion.

A faculty,  
moreover,  
minus a *c*  
is faulty;  
the *c* is for  
commitment.

A faculty,  
finally,  
lacking a *c*  
is faulty;  
the *c* is for  
caring.

A faculty,  
therefore,  
should sail  
the high *c*'s  
lest it end up  
becoming faulty.
