

Is there a list of all the months or days that have special designations that might fit a book's theme?

Q: Is there a list of all the months or days that have special designations that I can use to find out if a subject or theme mentioned in my book has a day or month honoring it?

Chase's Calendar of Events is a book, updated annually, that provides a day-by-day listing of special birthdays, anniversaries and festivals worldwide. You can reference information chronologically to find out which anniversaries might coincide, or be near your book's publication date; or you can reference dates or events topically. You can check for it at your local library, or can order a copy for \$59.95 + shipping and sales tax from NTC/Contemporary Publishing Group, Inc., 4255 W. Touhy Avenue, Lincolnwood, IL 60712, 847-679-5500. 5:6/00
