## Notes from Stitches (Annie E.):

Stitches is filling in as the temporary scribe this month for Smiling Brother (Rob D.)

The March Shoot was hosted by Stitches and Many Trails (Jerry H.) with an Irish theme and with perfect shooting weather, sunny and no w—d.

Skippers gathered at El Cielos for some breakfast then headed up the hill to help set up the stage for the shooting festivities. Shooters kept coming in as we were setting up and eventually a large group of 19 looking for a good time on the lower range.

Targets consisted of a 12 yard pistol target, a 25 yard postal target, 25 yard gongs and a potato, and 2 - 50 yard paper targets all with an Irish

**More upcoming shoots**

**May 4th Pistol & Revolver Shoot at the Fort Lupton Range 9 AM until 3 PM.**

**Memorial Day Weekend shoot in Florence sponsored by the Colorado Springs Muzzle Loaders May 24, 25, 26, 27.**

**Colorado Territorial Shoot Sponsored by the Buckhorn Skinners June 14th, 15th & 16th at the Fort Lupton range.**

theme.

**Buckhorn Skinners**

**Meeting  
17 March 2019**

**Two new members have now been granted names:  
Charlie is "No Name" for now, and has been accepted into the club.  
Henry is "Bushloper" (or, maybe Bush Loper)**

**Linda's name has been confirmed as "Sure Shot"**

**There were 16 shooters registered today, along with three who attended but didn't register (or, shoot our paper targets): Scott Drake, Richard Zink and his daughter Frieda (sp?)**

**Treasurer's report:**

**Scott is spending money as we get ready for Squirrel Shoot.**

**\$140.00 to Schutzen for powder; \$10 to register the Club with Secretary of State. New first aid kit. The website bill is outstanding because of some discrepancies in the estimate/invoicing. CD just matured (comes due each February), we have \$1059.22, and make 0.004% on it.**

**There was an extra \$50 leftover after settling the xmas party bill. Treasurer paid NMLRA dues for 23 Skinners at the Winter Convention: \$660. It is best to renew National through Club as there is a portion of that fee (\$5.00) that the Club keeps. Also, this makes it easier to track members. The cost to renew your NMLRA is \$50.00 if you want a paper magazine and \$35.00 if you want to get the magazine digitally on your computer.**

**Captain Griz has bought and donated a new set of walkie talkies. We have 100 5/8th flints and 100 yards of cannon fuse.**

**Territorials:**

**Don't yet know the cost of registration for Territorials, likely the same as last year. No longer a "free" aggregate if you buy 4 aggs as in the past. Aggs are \$10.00 per egg if you have an NMLRA or NRA membership card and present it at registration. Aggs are \$14.00 per agg for everyone else.**

**Treasurer report accepted unanimously.**

**Old business:**

**New website:**

**Need content for the Member Corner - if you see anything, or learn or do something interesting related to muzzleloading or the Skinners' period, do a short write up and send to Ron Ring/Bloody Muzzle. A couple of paragraphs, some photos, a link if relevant. He'll post and keep the content on that part of the page fresh.**

**Bill outstanding - this is because the invoice is higher than expected since the Contractor undertook some work on our behalf without consulting anyone (transferring photos and newsletters going all the way back, and proof-reading/editing existing content). Ron will work with her to negotiate a reasonable compromise, including perhaps taking down some of the older newsletters and adjusting the invoice. A vote was taken to have Ron negotiate on behalf of the Club, he is empowered to do so.**

**The website also has a Trading Post, if you have/make things to sell or trade.**

**Domain registrations that cost \$19/year (buckhornskidders .net .org .com etc) we opted to continue. Is there an email address for the Club??**

**Squirrel Shoot (26-28 April):**

**There will be two work days prior, and likely one after Squirrel Shoot. One of these is the Saturday before Easter (20 April); the regular April shoot is on Easter (21st). The weekend of 13/14 April are also workdays, starting at 9 AM. We will be working (fixing) fence.**

**Get prizes to Many Trails (Jerry H.) or Stitches (Annie); there are already some really nice ones, including books and paintings, belts, powderhorn, handmade bags, knives, and water vessels.**

**Captain has a sign up sheet to indicate which days you can attend/help out with Squirrel Shoot, email him with updates or to sign up.**

**Range officer training - there is interest in holding some trainings, Ron Ring and Scott(?) will set that up; there will be reading to do ahead of time to keep the length of the session reasonably short. This will likely happen sometime in May or June.**

**Stitches (Annie E.)**

**Ian W.**

**No Name (Charlie A.)**
