

THIS KID CAN FLY

Ricky Murray (right) stands in front of the Piper J-3 Cub he soloed on March 17, 2014 at Blairstown Airport. In pilot training with his instructor Geoff Orlandi (left), Ricky has already soloed two different airplanes; a Cessna 172 and now a Piper J-3 Cub. Significant accomplishments for anyone, especially a 17 YEAR OLD! Everyone at the flight school, ORLANDI FLIGHT CENTER, wishes Ricky well as he completes his training to earn a Private Pilot Certificate. A North Warren Regional High School Junior and Blairstown resident, Murray hopes to reach his goal before this school year is over.
