CAREER ENRICHMENT Nursing Journey

Join us to explore Israel, Palestine & Jordan, a region steeped in history, diversity and local traditions. Examine the range of healthcare services and education provided in each country while experiencing the unique opportunity to connect with families and community members from a broad cross-section of multicultural backgrounds. Journey with us to this Ancient Land to explore healthcare, daily life, and the many complexities of this beautiful and mysterious region.

Program Highlights

- **12 nights / 13-day** journey through Israel, Palestine and Jordan.
- Nanda Journeys and the University of Pittsburgh School of Nursing are collaborating to present the Nursing Journey. Professional Nurses participating in the activity and completing the evaluation tool may receive a maximum of **8-10 Nursing Continuing Professional Development** contact hours. The University of Pittsburgh School of Nursing is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.
- **Optional post-program extension** to Cairo, Egypt.

Focus on healthcare

- Interact with **nursing professionals** from a variety of facilities in both Israel and Jordan such as **Ramban Hospital Haifa** and **King Hussein Medical Center Amman**.
- Meet with faculty and students at various nursing schools such as Tel Aviv University, **Almakassed College of Nursing**, and **University of Jordan** to compare the practice and education of nurses in each location.
- Focus on learning about the health systems in Israel, Palestine and Jordan. Discuss the **prevention of illness** and the **management of chronic disease** along with the role of nurses and other medical professionals in providing healthcare.

Focus on the community & culture

- Giving back and engaging with the local community is an important part of your journey. Visit the **Balqa Governorate Health Directorate** in Salt to learn about their health center, maternity and community activities.
- Gain authentic cultural insight during an evening spent enjoying a **home-cooked meal with a local family** in Nazareth.
- Visit a family owned coffee mill called **El-Babor** to meet the owner and learn about coffee making in the region.

Program Leader: **Dr. Bobbie Berkowitz, Dean Emerita and Professor of Nursing, Columbia University School of Nursing**

Bobbie also holds the title of professor emerita at the University of Washington, where she was the Alumni Endowed Professor of Nursing and chair of the Department of Psychosocial and Community Health and adjunct professor in the School of Public Health and Community Medicine.
