

THE BLOOD MOONS OF VIRGO

3 PROPHTIC BLOOD MOON 'BIRTHINGS' OF THE TETRADS

Many skeptics scoffed at the notion that 'nothing' seemed to 'happen' during the Blood Moon Tetrad of 2014-15. The point is that the last Tetrad of 2014-15 were part of a large triad of Tetrads since 1949. The 3 Tetrads were in approximate phi ratio. This illustration suggests that there is a Tetrad Template that correlates to a prophetic pattern of a *Before-During-After* event sequence. The event is perhaps part of a countdown subject to that Tetrad in proximity that occurred before, during and thus will occur after the Blood Moons within 2 years. Also each Tetrad was subject to a restoration concerning the Covenant People of YHVH based on the Olivet Discourse. This study does agree that the May 14, 1948 and the June 7, 1967 were prophetic and part of a 3 component countdown accented by the Blood Moon Tetrads. It was in 1947 that the UN passed the resolution to partition the land and carved out a nation for the Jewish and Arab peoples. The partition also included a State for the Arabs which they rejected it as they wanted it all and to have no nation state for the Jewish people. From the year of 1947, the Jewish people will see the 70th anniversary also in 2017 or 5777. Specifically from the 1948 Declaration of Independence will encompass the year 2017-18. Perhaps this Tetrad Template will start the completion of the 70 Weeks of Years concerning Daniel's prophecy for 'His People'. It echoes the 70 years of captivity to have been completed in Babylon and the year the 2nd Temple was destroyed. In 1948 the State of Israel was birthed, in a day; the Tetrad came afterwards within a 2 year span of time. This was the 1st variable of the restoration as debriefed by Jesus to His Disciples given in the Olivet Discourse.
