DESCRIPTION: Great looking and performing high quality Fasco vintage recurve. This bow was a favorite to shoot on the range. Smooth and fast. No delamination; no cracks; limbs are straight. Overlay tips are in great condition. No stress lines or crazing. A few scratches and scuffs. Unfortunately, there were several holes that were drilled into this bow. All have been professionally filled. Some of the holes are readily visible and some are barely perceptible. See the pics. Notwithstanding, this is a really nice looking and shooting bow.
