

Happy fall Region 20 ...Not a lot to report on as of late. I was not able to attend the last meeting but was able to get notes. We are trying to build back membership and focus on legislation. Bus was able to attend a meeting in Lansing with the team, but was not received well from what we were told. Fast forward to the next legislative day, letters were handed out and were received better than the previous LO days, with the exception of a few misprints, wrong representatives, and errors in protocol. Little Iceman has printed off legislative papers with names and phone numbers of all reps and senators to hand out to the membership for them to hand out to every motorcyclist they see. We need all current members to contact Little Iceman so he can forward them this important document. Legislatures are tired of hearing from ABATE members only, they need to start hearing from other constituents IN THEIR DISTRICT!!! To reach **Little Iceman** call him @ **989-980-8842** or email him at **The_Iceman99turbo@yahoo.com**. **We need all hands on deck!! The fight is still strong!!**

We would like to say congratulations to VP Butch Brown on his Freedom Fighter award that he received in Atlanta at the 2021 MRF Meeting of the Minds Conference, which I was unable to attend due to extenuating circumstances. Next year the conference will be held in Des Moines, IA for all those interested.

We will be attending the RC/LO meeting in November and updating everyone at the November meeting. Next meeting will be held on November 28, 2021 @ 2pm at Bus & Kupcakes house.
