

Woven Weed Restrictor

Weed Control • Soil Separator • Ground Cover

4.1 oz. Woven Needle Punch

WEED CONTROL FABRIC

- Stops approx. 95% of weed growth
- Lets air, water and fertilizer pass through to plant roots
- Saves you time (no more weeding)
- Permanent when covered from sunlight

BENEFITS

- Perfect for holding decorative stone & bark in place on slopes and hills
- Colored stripes every 12" apart for easy plant alignment
- U.V. Stabilized (Lasts 2 years in direct sunlight)
- Permanent when covered from sunlight

USE UNDER OR AROUND

- Sloped Landscape Sites
- Flower & Vegetable Gardens
- Decorative Stone & Bark
- Wooden Decks

** Refer to page 18 for installation instructions*
