#### **Biography**

Daniel J. Yaroch, 77 years old of Fillion, passed away unexpectedly on Friday August 18, 2023. Dan was born October 31st to the late Albert and Mary (Meagher) Yaroch. Dan spent most of his life in Fillion. He and Trudy (Connors) Yaroch were married on November 4, 1967. Dan's greatest joy in life was his grandchildren. He enjoyed spending time with his family, was an avid deer and turkey hunter, and loved to fish. He was "Mister Fix-It" and was counted on to solve all of the family's mechanical needs (while spending as little cash as possible, of course). Later in life, Dan enjoyed working to improve wildlife habitat on the family farm, feeding the local birds and squirrels, and taking frequent trips to the casino. After graduating from Bad Axe High School, he served in the Marines for 2 years. Upon returning to the area, he attended Port Huron Community College eventually working as a quality control manager for a variety of automotive part suppliers before retiring from Detroit Edison in 2005.
