

CNYSSLHA JOURNAL CLUB | JANUARY 2021

Join us for our medically-based journal club!
Open to all NYSSLHA and regional association members.

When: Tuesday, January 26th, 5:30-7:30 pm

Location: Virtual meeting via Zoom

Earn 0.8 ASHA CEUS (Intermediate level, Professional Area)

Topic: All About IDDSI -the International Dysphagia Diet Standardization Initiative

Participants are to read the 5 articles listed below prior to the meeting. This counts for 0.6 of the total CEUs offered for an estimated 6 hours of reading time.

Article 1: Development of International Terminology and Definitions for Texture-Modified Foods and Thickened Fluids Used in Dysphagia Management: The IDDSI Framework

Article 2: Implementation Strategies for the International Dysphagia Diet Standardisation Initiative (IDDSI), Part I: Quantitative Analysis of IDDSI Performance Among Varied Participants

Article 3: Evaluating chewing function: Expanding the dysphagia field using food oral processing and the IDDSI framework

Article 4: Sensory characteristics of liquids thickened with commercial thickeners to levels specified in the International Dysphagia Diet Standardization Initiative (IDDSI) framework

Article 5: Is IDDSI an Evidence-Based Framework? A Relevant Question for the Frail Older Population

Time Ordered Agenda:

5:30-7:30 Article review and open discussion

Continued on the next page

Learner Outcomes: Through reading and discussing journal articles, participants will:

1. Describe the rationale for the International Dysphagia Diet Standardization Initiative.
2. List appropriate terminology when referring to various solid textures and liquid consistencies in accordance with the IDDSI framework.
3. Discuss the pros and cons of IDDSI implementation.
