POSTSECONDARY ELECTRONIC STANDARDS COUNCIL

– 25TH ANNIVERSARY –

PESC®

www.pesc.org

The influence created by community collaboration in an open, transparent & welcoming environment fuels PESC – ensuring usable and implementable PESC Approved Standards.   We thank the thousands of attendees, speakers and sponsors over the years who have helped build the PESC mission.

As PESC plans for its 25th Year Anniversary in 2022, we are taking the time to reflect and remember all past PESC meetings, conferences and data summits. Included is a listing of all cities, dates and programs in which PESC events were held.
