1. Our NA Home Group hereby declares the autonomous privilege, as guaranteed within the 12 Traditions of Narcotics Anonymous, to create, direct and participate in any service structure or service model that is directly responsible to the Groups that it serves. Additionally, we declare the same privilege to discontinue participation in any service structure or service body that does not fulfill our purpose or need.

2. Our NA Home Group has never vested any authority in NA World Services and hereby revokes and does not recognize any authority that NA World Services currently claims to act in our behalf, including the World Service Conference, the World Board or the World Service Office, as an authority for the Fellowship of Narcotics Anonymous.
