# FRIENDS OF THE WOODLAND PUBLIC LIBRARY

*The oldest operating Carnegie Library in California.*

*Located at 250 First Street in historic downtown Woodland.*

"The best means of benefiting the community is to place within its reach the ladders upon which the aspiring can rise." Andrew Carnegie

### Who are the Friends of the Woodland Public Library?

The Friends of the Woodland Public Library is a non-profit community organization dedicated to supporting the Woodland Public Library. One of our primary goals is to help the Woodland Public Library to achieve its mission "to inform and enhance the quality of life and foster lifelong learning."

Our members are volunteers and advocates for a strong library system in our community. We believe that the oldest operating Carnegie Library in California deserves an engaged organization that represents the community's interests about library issues.

### What Do the Friends Do?

- We hold popular used book sales to raise money for programs, books and materials the library would not otherwise be able to afford.
- We promote public involvement in our library.
- We provide advocacy information regarding library issues.
- We provide funding support for special library programs.
- We support literacy in our community.

## Friends Sponsored Programs

One of the most exciting and fulfilling ways the Friends offer support is by funding special programs for the library and the community.

Some of these include:

- Children's Reading Programs
- Teen Programs, such as game night, movie night, plays, Teen Advisory Group, etc.
- Woodland Reads, a community wide reading event
- Adult Brown Bag Reading Club
- Summer Reading Programs for children and adults
- Special event appearances by authors, musicians and other artists
- "Story Time at the Library"
- Book Page subscription
- Special family programs such as the Wolf Education Program
- And much, much more...

### How we do all this

With your help, the Friends support these programs through membership dues and revenues from quarterly book sales of donated items and other fundraisers, which include our annual "Murder Mystery in the Library."
